Believing God For His Best:

Believing God for His Best Bill Thrasher,2004-07-01 What are you waiting for If you re among the growing ranks of single adults chances are you re waiting for Mr or Miss Right And while waiting is an important aspect of the Christian life it s not easy No one knows this better than Bill Thrasher He spent almost two decades in adulthood before marrying his wife and now shares the secret of successful single living contentment Believing God for His Best is a personal story that will walk you through Thrasher s journey through singleness and toward marriage The anecdotal style coupled with godly wisdom will inspire singles to trust God for His best [Believe 365-Day Devotional](#) Randy Frazee,Rozanne Frazee,2015-12-01 Go from knowing the story of the Bible to living it God invites us to be shaped through His Word And so we look to Scripture and spend devotional time searching for answers to these three crucial questions What do I believe What should I do Who am I becoming Let God guide you in thinking acting and becoming like Jesus through these 365 powerful devotions Randy and Rozanne Frazee walk you through the key beliefs practices and virtues of the Christian faith and help you along the journey to renew your mind practice your faith and be transformed to live more like Jesus This devotional is a great standalone devotional or a wonderful companion to the Believe campaign **Living the Life God Has Planned** Bill Thrasher,2001-01-01 A basic guide to discerning the will of God How do I know what God s will is for my life It is perhaps the most common question asked by Christians today Dr Bill Thrasher has provided a basic guide to the fundamentals of seeking God s will in Living the Life God Has Planned Thrasher teaches readers that they must first seek to know God on a more intimate level before His will becomes more apparent to them Readers of all maturity levels will appreciate the simplicity and practical nature of this product *8 Steps to Create the Life You Want* Dr. Creflo Dollar,2008-01-02 Don t wait until tomorrow for the life you want today Dr Creflo A Dollar illuminates eight steps to the magnificent life you crave Confidence peace and abundant life we all long for these things In this life changing book author and renowned pastor Dr Creflo A Dollar challenges readers to stop wishing for a satisfying life Instead Dr Dollar proclaims we should be claiming the success that God promises today We do not have to be defined by past failures or mediocrity we must move forward into the richness available to us right now God has designed a glorious destiny for each of us and all we have to do is take hold of it In order to seize our destiny each of us must be willing to radically transform our lives If you don t like the way you feel says Dollar you ve got to change the way you think By taking manageable steps along the way each of us can achieve life to the fullest until it overflows *Trusting God's Timing* Steven Stoffelsen,2017-01-17 Many times Christians excitedly receive a promise or vision from God From that moment forward they want to tell the whole world what God is going to do in and through them It s so exciting to have a promise from God The Bible says Where there is no vision the people perish Proverbs 29 18 But when God gives us a promise or vision it takes time to see it fulfilled Rarely is the vision for tomorrow or even the next year It s for a certain time set by God He shows it to you early but He still wants to prepare you for the journey ahead Many Christians

get discouraged during this process and walk away from God But so many people in the Bible like Abraham Joseph and David had to go through years of preparation before they saw their visions fulfilled They waited a long time probably longer than most of us Be encouraged and don t let a thing called time destroy you before you even start God is for you and what He s promised He will bring to pass

The Voice of the Seven Thunders George Kevyn Weber,2014-07-21 There is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of mens lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of mens souls lost all for the sake of mans vanity The current synopsis is catchy and intriguing This synopsis is well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writers Literary Publishing Services Critique Division

Unity ,1882 *The Oberlin Evangelist* ,1852 Believing God Day by Day Beth Moore,2008-10-01 Among Beth Moore s very best selling books to date is Believing God a powerful study of Isaiah 43 and Hebrews 11 that centers on one simple yet bold question do you believe God or merely believe in Him Moore explains how God s plan is for the believer s life to really work so all will know His promises are entirely true When we begin to take God at His Word the result is a fresh contagious explosion of faith And now the enduring favorite is available in a convenient day by day reading format reminding us time and again that God is bigger than we can imagine and faithful to be who He says He is do what He says He can do and help us be who He says we are Believe it
