the old and distinguished Sephardic Jewish family from whom he is descended Victor Perera brilliantly re creates the history  
not only of his own people but of an entire culture The story he tells begins in Spain in the fifteenth century when the  
Sephardim are offered a choice of conversion exile or death It is the story of a richly flourishing tradition intellectual  
religious worldly and spiritual interrupted by massively cruel events a story of persecution escape and renewal carrying us  
from the Iberian Peninsula across Europe to the Holy Land and Central America And the Pere i ras whose lives we enter are  
both fascinating in themselves and emblematic of the Sephardic diaspora created by the Inquisition and the Expulsion some  
of them under threat of torture and execution capitulating to the Cross or becoming Marranos crypto Jews who practiced  
their ancestral religion in secret others remaining loyal to the pear tree that became their symbol and crest Among the  
Marranos Ana Pereira a merchant s daughter a Sephardic convert in Portugal who at age fifteen was sentenced to wear  
penitential raiment and undergo spiritual penances in prison where under torture she incriminated fifteen of her close  
relations Among the reclaimed the fabulously wealthy magnate and author Abraham Israel Pereira who participated in the  
excommunication of philosopher Baruch Spinoza and the beautiful Maria Nunes who was abducted to Shakespeare s England  
and rejected the marriage proposal of a duke and Queen Elizabeth s entreaties on his behalf marrying instead a cousin in  
Amsterdam s first Jewish wedding In nineteenth century France we follow the meteoric rise of the brothers Emile and Isaac  
Pereire who founded the French railroads and the Credit Mobilier banking system Over the centuries the stories of Pereras  
in all walks of life among them rabbis and Kabbalistic scholars in the Holy Land unfold    *Princeton Alumni Weekly* ,1947
