The Publishers' Circular and Booksellers' Record ,1929 **The Oldwife's Tale** Arnold Bennett,2019-09-25

Reproduction of the original The Oldwife s Tale by Arnold Bennett *The Old Wives' Tale* Arnold Bennett,1908 Regarded as one of Arnold Bennett s finest works The Old Wives Tale was first published in 1908 It tells the story of sisters Constance and Sophia Baines both very different from one another and follows their lives from youth into old age Bennett s inspiration was an encounter in a Parisian restaurant an old woman came into the restaurant to dine She was fat shapeless ugly and grotesque She had a ridiculous voice and ridiculous gestures Collected Stories of Franz Kafka Franz Kafka,2015-01-28

From one of the greatest writers of the twentieth century the author of *The Metamorphosis* and *The Trial* a collection of stories that represent the art of a modern master who had the gift of making our problematic spiritual life palpable and real Franz Kafka s imagination so far outstripped the forms and conventions of the literary tradition he inherited that he was forced to turn that tradition inside out in order to tell his splendid mysterious tales that are scrupulously naturalistic on the surface and uncanny in their depths This edition of his stories includes all his available shorter fiction in a collection edited arranged and introduced by Gabriel Josipovici in ways that bring out the writer s extraordinary range and intensity of vision Everyman s Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author s life and times *The Castle* Franz Kafka,1992-11-03 From the author of *The Metamorphosis* and *The Trial* and one of the

greatest writers of the twentieth century Arriving in a village to take up the position of land surveyor for the mysterious lord of a castle the character known as K finds himself in a bitter and baffling struggle to contact his new employer and go about his duties As the villagers and the Castle officials block his efforts at every turn K s consuming quest quite possibly a self imposed one to penetrate the inaccessible heart of the Castle and take its measure is repeatedly frustrated Kafka once suggested that the would be surveyor in *The Castle* is driven by a wish to get clear about ultimate things an unrealizable desire that provided the driving force behind all of Kafka s dazzlingly uncanny fictions Everyman s Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author s life and times The Booklist ,1929

The Trial Franz Kafka,1992-06-30 The story of the mysterious indictment trial and reckoning forced upon Joseph K one of the twentieth century s master parables from one of the greatest writers of the twentieth century the author of *The Metamorphosis* Translated by Willa and Edwin Muir *The Trial* reflects the central spiritual crises of modern life Kafka s method one that has influenced in some way almost every writer of substance who followed him was to render the absurd

and the terrifying convincing by a scrupulous hyperreal matter of factness of tone and treatment He thereby imparted to his work a level of seriousness normally associated with civilization s most cherished poems and religious texts Everyman s Library pursues the highest production standards printing on acid free cream colored paper with full cloth cases with two color foil stamping decorative endpapers silk ribbon markers European style half round spines and a full color illustrated jacket Contemporary Classics include an introduction a select bibliography and a chronology of the author s life and times

Booklist ,1929 **Fiction Catalog** H.W. Wilson Company,1941 Includes an abridged edition of 1908 catalog issued under title English prose fiction list of about 800 title *The Old Wives' Tale (Classic Illustrated Edition)* Arnold Bennett,2019-08-22 An epic tale that s considered one of Bennett s finest works The Old Wives Tale traces the absorbing lives of two very different sisters from childhood to old age It s a genuinely engaging read that follows their intriguing individual stories and sees them eventually reunited The book was voted one of the twentieth century s top 100 English language novels by the Modern Library in 1998 Just as accessible and enjoyable for today s modern readers as it would have been when first published over a century ago the novel is one of the great works of English literature and continues to be widely read throughout the world This meticulous edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is beautifully illustrated with a number of atmospheric historical paintings that reflect the mood of the novel A Bibliography of Prose Fiction Elbert Lenrow,1938 The Old Wives' Tale Arnold Bennett,2015-07-11 was clear that I had not seen an execution or words to that effect and he proceeded to give his own description of an execution It was a brief but terribly convincing bit of writing quite characteristic and quite worthy of the author of Montes the Matador and of a man who has been almost everywhere and seen almost everything I comprehended how far short I had fallen of the truth I wrote to Mr Frank Harris regretting that his description had not been printed before I wrote mine as I should assuredly have utilized it and of course I admitted that I had never witnessed an execution He simply replied Neither have I This detail is worth preserving for it is a reproof to that large body of readers who when a novelist has really carried conviction to them assert off hand O that must be autobiography ARNOLD BENNETT CONTENTS BOOK I MRS BAINES I THE SQUARE II THE TOOTH **The Old Wives' Tale. hill famous for its religious orgies rose the river Trent the calm and characteristic stream of middle England Somewhat further northwards in the near neighbourhood of the highest public house in the realm rose two lesser rivers the Dane and the Dove which quarrelling in early infancy turned their backs on each other and the one by favour of the Weaver and the other by favour of the Trent watered between them the whole width of England and poured themselves respectively into the Irish Sea and the German Ocean What a county of modest unnoticed rivers What a natural simple county content to fix its boundaries by these tortuous island brooks with their comfortable names Trent Mease Dove Tern Dane Mees Stour Tame and even hasty Severn Not that the Severn is suitable to the county In the county excess is deprecated The county is happy in not exciting remark It is content that Shropshire should possess that swollen bump the Wrekin and that the exaggerated wildness of the Peak should lie over its border It does not desire to be a pancake like Cheshire It has everything that England has including thirty miles of Watling Street and England can show nothing more beautiful and nothing uglier than the works of nature and the works of man to be seen within the limits of the county It is England in little lost in the midst of England unsung by searchers after the extreme perhaps occasionally somewhat sore at this neglect but how proud in the instinctive cognizance of its representative features and traits Constance and Sophia busy with the intense preoccupations of youth recked not of such matters They were surrounded by the county On every side the fields and moors of Staffordshire intersected by roads and lanes railways watercourses and telegraph lines patterned by hedges ornamented and made respectable by halls and genteel parks enlivened by villages at the intersections and warmly surveyed by the sun spread out undulating And trains were rushing round curves in deep cuttings and carts and waggons trotting and jingling on the yellow roads and long narrow boats passing in a leisure majestic and infinite over the surface of the stolid canals the rivers had only themselves to support for Staffordshire rivers have remained virgin of keels to this day One could imagine the messages concerning prices sudden death and horses in their flight through the wires under the feet of birds In the inns Utopians were shouting the universe into order over beer and in the halls and parks the dignity of England was being preserved in a fitting manner The villages were full of women who did nothing but fight against dirt and hunger and repair the effects of friction on clothes Thousands of labourers were in the fields but the fields were so broad and numerous that this scattered multitude was totally lost therein The cuckoo was much more perceptible than man dominating whole square miles with his resounding call And on the airy moors heath larks played in the ineffaceable mule tracks that had served centuries before even the Romans thought of Watling Street In short the usual daily life of the county was proceeding with all its immense variety and importance but though Constance and Sophia were in it they were not of it The fact is that while in the county they were also in the district and no person who lives in the district even if he should be old and have nothing to do but reflect upon things in general ever thinks about the county So far as the county goes the district might almost as well be in the middle of the Sahara
