**Failure-Free Education?** David Reynolds, 2010-02-25. David Reynolds is recognised internationally as one of the leaders of the school effectiveness and school improvement movement and Failure Free Education brings together for the first time many of his most influential and provocative pieces. Drawing on the author's work from over three decades, these extracts from his seminal books, chapters, papers and articles combine to give a unique overview of how the movement developed, the problems involved in the application of the knowledge and the disciplines, potentially glittering future now. The book also covers the issues raised by and lessons learned from his close involvement with English government educational policymaking from the mid 1990s to date. This book is essential reading for those who seek to understand how we can make every school a good school and what the obstacles may be to achieving that goal.

**Becoming an Evidence-based Practitioner** Olwen McNamara, Olwen McNamara, 2003-12-16. The world of teacher research is rapidly changing following the introduction of Best Practice Research Scholarships. This was announced by the DfEE as part of a new Professional Development Plan in which teachers are to be allocated up to 3000 to do their own research, non-award bearing with the support of an HE mentor. The TTA also believes that teachers should play a more active role in conceiving, implementing, evaluating and disseminating research. This book is for teachers who are looking or being encouraged to undertake research in their schools. Written by teachers and their HE research mentors, the book provides case studies which show teachers how to do and use research and how to do effective pedagogy. Olwen MacNamara shows how a group of teachers set out to observe, describe, analyse and intervene in areas of primary education. The book can be raided for insights into research methods as well detailing professional issues about teaching and learning and will be essential reading for teachers undertaking Best Practice Research Scholarships.
