Polizeipistole a double action semi automatic pistol intended for the law enforcement market became available in 1929 and
went on to arm the police of several European countries in the 1930s Its smaller cousin the PPK more readily concealed for
undercover work but with reduced magazine capacity was produced from 1931 Intended to replace the P 08 Luger the
Walther P 38 was issued from 1940 and equipped the armed forces of Germany and other countries during and after World
War II but never entirely replaced the Luger in German service All three pistols went on to have lengthy and varied service
