Castellucci, 2006 Personal Excellence is a unique book that teaches individuals how to best utilize their values and beliefs in order to achieve personal success Designed to act as a complete personal success manual the text includes information on effective listening and communication skills stress management time management and the creation and acquisition of personal goals Each chapter of the text provides motivational and easy to relate to examples of how the skills explained have led to the success of others Personal Excellence also stresses the important tenets of critical thinking and problem solving as well as how creative thinking impacts personal success Designed to act as a complete personal success manual the book includes information on effective listening and communication skills stress management time management and the development of effective measurable goals

Contemporary Medical-surgical Nursing Rick Daniels, Laura John Nosek, Leslie H. Nicoll, 2006-08 Contemporary is not only the first word in the title but a key descriptor in this book's approach. The first new med surg book to enter the market in years Contemporary Medical Surgical Nursing is a new and exciting text that presents comprehensive nursing care of the medical surgical client as opposed to simply treating conditions and illnesses. Written with a focus on acute and collaborative care this text is designed to be relevant and pragmatic in its approach by providing learner oriented logically organized information. It addresses key topic areas of clinical care highlighting contemporary nursing approaches such as health care trends health costs and benefits law and ethics and cultural considerations. Contemporary Medical Surgical Nursing helps bridge the gap from nursing student to professional by providing learners with the knowledge and skills that support today's nursing practice. Available as one comprehensive book or in two volumes.

Vault Guide to the Top Government and Nonprofit Employers Laurie Pasiuk, 2005 The Guide provides business profiles hiring and workplace culture information on top employers.

My New Weigh of Life Madeleine Sigman-Grant, 1993 The objectives of this weight management program are to prepare participants for weight loss and maintenance by providing accurate knowledge about food nutrition and physical activity to make participants aware of the personal behaviors which have led them to overeat and of how they can choose to change those behaviors and to direct participants to take care of themselves so that they can manage their choices.

Health Promotion Throughout the Lifespan Carole Edelman, Carol Lynn Mandle, 2006 This comprehensive text provides the most current and accurate health promotion and disease prevention information available. The book addresses health promotion for all ages and all population groups individuals families and communities. It includes extensive coverage of growth and development throughout the life span with an emphasis on normal development as well as the specific problems and health promotion issues common to each stage. A complete unit is devoted to health promotion interventions. It also offers a unique assessment framework based on Gordon's Functional Health Patterns to provide consistency in presentation and an approach in line with the promotion of health. Extensive coverage of growth and development throughout all stages of the life span. A unit on specific interventions for health promotion. Addresses health promotion for all population groups individual family and the community. Incorporates Case Studies that depict actual clinical situations to give students a real life perspective. Innovative Practice examples highlight unique and creative health promotion programs. Summarizes specific clinical interventions in Health Teaching boxes to provide students with how to nursing actions. Think About It clinical scenarios provide critical thinking questions to help readers grasp important concepts. Multicultural Awareness boxes present cultural perspectives important to care planning. Introduces significant issues trends and controversies in health promotion through Hot Topics boxes to engage students in critical discussion and debate about these topics. Research Highlights emphasize current research efforts and research opportunities in health promotion. A new Study Questions section with answers and rationales helps you review and assess your understanding of chapter content. Care Plans are presented in

a consistent format Nursing Diagnosis Defining Characteristics Related Factors Expected Outcomes and Interventions Healthy People 2010 boxes highlight current national health promotion priorities A new full color design helps to highlight important features and content A new companion Evolve website offers case studies with questions and answers WebLinks content updates and a Glossary with search capability to enhance your learning experience **Wellness** Werner W. K. Hoeger, Lori Waite Turner, Brent Q. Hafen, 2002 This book places a strong emphasis on the individual being responsible for their own health and wellness It covers assessing your own personal attitudes and behavior and where necessary making appropriate changes stressing the benefits of exercise to increase wellness and longevity **B'nai B'rith**, 2005
