Civilizing Globalization A Survival Guide:

Civilizing Globalization, Revised and Expanded Edition Richard Sandbrook, Ali Burak Güven, 2014-06-01 Discusses the many facets of globalization and its feasible reform in easy to understand language Is it possible to harness the benefits of economic globalization without sacrificing social equity ecological sustainability and democratic governance The first edition of *Civilizing Globalization* 2003 explored this question at a time of widespread popular discontent This fully revised and expanded edition comes at an equally crucial juncture The period of relative stability and prosperity in the world economy that followed the release of the first edition ended abruptly in 2008 with a worldwide economic crisis that illustrated in dramatic fashion the enduring problems with our global order Yet despite the gravity of the challenges concrete initiatives for change remain insubstantial Richard Sandbrook and Ali Burak G ven bring together international scholars and veteran activists to discuss in clear nontechnical language the innovative political strategies participatory institutional frameworks and feasible regulatory designs capable of taming global markets so that they assume the role of useful servants rather than tyrannical masters *Civilizing Globalization* develops a social democratic vision of globalization and global governance for the twenty first century The book presents a powerful case for regulating global markets so that the economy serves society and the environment not the reverse It is a wonderful contribution by an eminent group of scholars Ziya ni Ko University

Globalizing Sport George H. Sage, 2015-11-17 Sport is enjoyed by millions of people across the world and both watching and playing sport constitutes a major part of modern leisure time But sport is also a huge worldwide industry In *Globalizing Sport* George Sage invites readers to explore a deeper understanding of the global dynamics of sport not only competitions but of the big businesses of money media coverage athletic apparel and more He shows how phenomena such as migration labour commerce and politics affect the athletes and the fans continually reshaping the business and experience of sport *Globalizing Sport* puts sport in its political economic and social context revealing its connections with businesses countries media outlets and education systems

Grounding Globalization Edward Webster, Rob Lambert, Andries Beziudenhout, 2011-08-02 Winner of the 2009 Distinguished Scholarly Monograph Prize awarded by the American Sociological Association Labor and Labor Movements section Claims have been made on the emergence of a new labour internationalism in response to the growing insecurity created by globalization However when persons face conditions of insecurity they often turn inwards The book contains a warning and a sign of hope Some workers become fatalistic even xenophobic Others are attempting to globalize their own struggles Examines the claim that a new labour internationalism is emerging by grounding the book in evidence rather than assertion Analyzes three distinct places Orange Australia Changwon South Korea and Ezakheni South Africa and how they dealt with manufacturing plants undergoing restructuring Explores worker responses to rising levels of insecurity and examines preconditions for the emergence of counter movements to such insecurities Highlights the significance of place and scale and demonstrates how the restructuring of multi national

corporations and worker responses to this connect the two concepts Multipolar Globalization Jan Nederveen Pieterse,2017-09-07 Like a giant oil tanker the world is slowly turning The rapid growth of economies in Asia and the global South has led to a momentous shift in the world order leaving much of the traditional literature on globalization behind Multipolar Globalization Emerging Economies and Development is the perfect guide to these ongoing 21st century transformations combining engaging and wide ranging coverage with cutting edge analysis The rise of China and other emerging economies has led to the emergence of a new geography of trade new economic and political combinations new financial actors investors and donors and weaker American hegemony This interdisciplinary volume combines development studies global political economy sociology and cultural studies to ask what this growth means for domestic and global inequality and examines the role of multipolarity in the reshaping of globalization Renowned globalization scholar Jan Nederveen Pieterse deftly guides the reader through the development of globalization in the West and the East explaining key topics such as the 2008 crash trends in inequality the changing fortunes of the BRICs and the role of governance and democracy Accessible and insightful this book will be an essential guide for both students in the social sciences and for professionals and scholars seeking a fresh perspective Whither Globalization? James H. Mittelman,2004-10-21 Globalization is usually said to be about markets power and culture This innovative book goes further arguing that globalization may also be understood as a way of knowing and representing the world Mittelman debunks several prevalent myths about globalization and anti globalization presenting alternatives to this force and indicating the prospects for a new common sense about future world order Drawing on considerable original research this book shows how globalization itself and globalization studies have changed since 9 11 Compact and accessible Whither Globalization is a major contribution to the study of globalization by one of the leading scholars in the field and is essential reading for students of international relations and international political economy Stories Economists Tell John P. Tiemstra,2012-12-19 A Christian approach to economic analysis requires that humans be thought of not as maximizing their own private economic welfare but rather as making moral choices with their resources Professor Tiemstra lays out the methodology of this approach in the first section of this book He then applies it to real economic problems including poverty and economic justice environmental sustainability and globalization **The New Handbook of Political Sociology** Thomas Janoski,Cedric de Leon,Joya Misra,Isaac William Martin,2020-03-05 Political sociology is a large and expanding field with many new developments and The New Handbook of Political Sociology supplies the knowledge necessary to keep up with this exciting field Written by a distinguished group of leading scholars in sociology this volume provides a survey of this vibrant and growing field in the new millennium The Handbook presents the field in six parts theories of political sociology the information and knowledge explosion the state and political parties civil society and citizenship the varieties of state policies and globalization and how it affects politics Covering all subareas of the field with both theoretical orientations and empirical studies it directly connects scholars with

current research in the field A total reconceptualization of the first edition the new handbook features nine additional chapters and highlights the impact of the media and big data *Globalization* Robert Goehrlert,2003 *Political Economy and the Changing Global Order* Richard Stubbs,Geoffrey R. D.
