An Only Child:

Only-Child Experience and Adulthood B. Sorensen, 2008-02-27 This book examines only child experience in global perspective and offers an insight into the dilemmas and challenges only children face as adults Explored from both a social and psychological perspective it reveals the complexity and multidimensional nature of the private and public worlds of the only child

The Future of Your Only Child Carl E. Pickhardt, Ph.D., 2008-03-04 One child households have doubled over the last two decades making it one of the fastest growing family units in America Expert Carl Pickhardt aids families in understanding the common traits of many adult onlies like shyness perfection and intolerance so that they can better prepare for potential outcomes He also celebrates the positive qualities of only children and how to encourage characteristics like thoughtfulness creativity and ambition Pickhardt sheds new light on issues that many only child families encounter such as attachment problems conflicts between only child and parent performance anxiety unusually high personal expectations feelings of entitlement dependence problems with risk taking With a distinctive focus on long term effects this book will help refine and improve daily parenting methods Parents will welcome these insightful guidelines for the formative influence they wish to provide

Parenting an Only Child Susan Newman, 2001-08-14 Is it possible to raise a contented only child Can we be happy with only one child The answer to both of these questions is a resounding yes In recent years the number of couples choosing to have one child has risen sharply Whether it s by choice or fate having a single child presents unique considerations opportunities and advantages Social psychologist Susan Newman who has been studying single child families since the 1980s shatters the myths of the lonely spoiled only child and provides in depth coverage of the critical issues including Making the right family size decision for you Withstanding the pressure to have another Maintaining a balance of power in a three member household Single parenting the only child Setting boundaries with a child who is used to having your undivided attention Fostering high achievement creativity and independence in only children The effects of having parents instead of siblings as role models Confronting age old only child stereotypes Building family networks and other support systems for the future Presenting fascinating findings and family stories Dr Newman shares her knowledge and gives down to earth advice making this the most accessible up to date handbook of its kind For couples who are already raising an only child or for those who are exploring the option Parenting an Only Child offers encouraging clarity and singular insight Now with a new resource section

Parenting an Only Child Susan Newman, 2001-12-11 By a child care authority and mother of an only child this useful knowledgeable book provides sound advice on creating an enriching environment that s stimulating and enjoyable for only children and their parents alike

The Seven Common Sins of Parenting An Only Child Carolyn White, 2004-07-15 As the parent of an only child are you frustrated because you find yourself overindulging and overcompensating Do you treat your child like an adult overpraise or overprotect him Have you expected perfection from your child yet failed to make rules and implement them consistently If you are not a perfect parent of an only child you are

not alone Based on the real life experiences of Carolyn White editor of Only Child parent and educator and hundreds of interviews with only children and parents of only children The Seven Common Sins of Parenting an Only Child celebrates the special rewards and opportunities of the single child family and offers a practical and often humorous guide for overcoming the most common errors parents can make when rearing an only child *A Handbook of Moral Theology* Anton Koch,1924

Only Child Rhiannon Navin,2018-02-06 Only Child triumphs Zach at only 6 years old understands more about the human heart than the broken adults around him His hope and optimism as he sets out to execute his plan will have every reader cheering him on and believing in happy endings even in the face of such tragedy Navin manages to make Zach s voice heartbreakingly believable Ann Hood The Washington Post Perfect for fans of Room a heartbreaking but important novel Real Simple Readers of Jodi Picoult and Liane Moriarty will also like this tenderhearted debut about healing and family narrated by an unforgettable six year old boy who reminds us that sometimes the littlest bodies hold the biggest hearts and the quietest voices speak the loudest Squeezed into a coat closet with his classmates and teacher first grader Zach Taylor can hear gunshots ringing through the halls of his school A gunman has entered the building taking nineteen lives and irrevocably changing the very fabric of this close knit community While Zach s mother pursues a quest for justice against the shooter s parents holding them responsible for their son s actions Zach retreats into his super secret hideout and loses himself in a world of books and art Armed with his newfound understanding and with the optimism and stubbornness only a child could have Zach sets out on a captivating journey towards healing and forgiveness determined to help the adults in his life rediscover the universal truths of love and compassion needed to pull them through their darkest hours **Personality and Social Adjustment** Ernest Rutherford Groves,1923 **The Modern Woodman** Frank O. Van Galder,1930 **Wild Life** Mayne Reid,1897 **Law Notes** Albert Gibson,Robert McLean,1913 *Introduction and biographies* Friedrich Freiherr von Hügel,1909 **North Carolina Reports: Hawks** North Carolina.
