An Introduction To Marxist Political Economy:

An Introduction to Marxist Political Economy Bade Onimode,1985 **Dialectical Economics** Lyndon H. LaRouche,1975 **An Introduction to Marxist Political Economy** ,1942 **An Introduction to Marxist Political Economy** ,1940* **Marxian and Post-Marxian Political Economy** Arun Bose,1975 Monograph on Marxism as applied to economics with particular reference to the significance of capitalism and socialism includes a bibliography pp 301 to 312 and statistical tables **Marxist Political Economy** Communist Party of New Zealand,1965 **Dialectical Economics** Lyn Marcus,1975 **Political Economy** A. Leontiev,2014-03-24 This 232 page book gives a thorough introduction not only to the basics of Marxist political economy but to Lenin s explanation of imperialism as well as a discussion of the Great Depression of the 1930s It is very helpful as an introduction to studying Capital **Political Economy** John Eaton,1966 A Marxist Text Book An introduction to Marxist economic theory **An Introduction to Marxist Economic Theory** Ernest Mandel,2002

The Logic of Capital Deepankar Basu,2022-02-03 This book presents the main economic argument developed by Marx in the three volumes of Capital in a coherent and comprehensive manner It also delves into three long standing debates in Marxist political economy the transformation problem the Okishio theorem and theories of exploitation and oppression Starting with discussions of methodology including dialectics and historical materialism the book explains key concepts of Marxist political economy commodity value money capital reserve army of labour accumulation of capital circuit of capital reproduction schemas prices of production profit interest and rent Scholars of economics sociology geography political science anthropology and other kindred disciplines will find here an accessible yet rigorous treatment of Marxist political economy **Marxist Political Economy** Geoff Pilling,2013-03-05 Geoff Pilling s work shows that Marxist theory is relevant to those struggling to understand the problems of capitalist society today and that the work not only of Marx and Engels but that of later Marxist theorists including Lenin is worth studying It also shows that to understand the problems of today s society needs more than narrow specialist economic analysis but a deep awareness of current developments in society

Marxist Political Economy and Marxist Urban Sociology Kieran McKeown,1987-02-16 **A Guide to Marxian Political Economy** Teinosuke Otani,2018-02-24 This textbook offers a comprehensive guide to the systematic structure of capitalism while at the same time introducing readers to all three volumes of Marx s Capital Based on his extensive expertise on Marx s critique of political economy the author reveals the specific structure of production in capitalist societies and explicates what sets this system apart from other modes of production Marx s political economy is explained in a systematic and easy to understand manner using numerous illustrative diagrams to complement the text This textbook will appeal to all students and scholars looking for a more comprehensive systematic and theoretical explanation of capitalism equipping them with a solid theoretical understanding of its core structure **An Introduction to Marxist Economics** George Catephores,1989 This text presents an elementary exposition of the basic principles of Marxist economics from the central

ideas of Marx himself through the reassessments made by subsequent Marxian economists The work is aimed at students of Marxist studies and related courses

A New Introduction to Karl Marx Ryuji Sasaki, 2022-02-14 This book provides a concise overview of Marx's philosophy and political economy tracing various changes of his theoretical views over time through his practical and theoretical engagements with contradictions of capitalism from the unique perspective of Japanese Marxism While it offers an objective introduction to Marx's critique of capitalism Sasaki uniquely pays particular attention to the concept of metabolism whose disruption under the capitalist mode of production causes exhaustion of labour power as well as natural resources Sasaki reconstructs Marx as a revolutionary thinker whose devoted his entire life for the sake of establishing a more free and equal society beyond capitalism Sasaki's book shows that Marx's passion for the socialist revolution in his last years is recorded in his late excerpt notebooks that become available through the Marx Engels Gesamtausgabe

Radical Political Economy Brian Burkitt, 1984

Radical Political Economy: A Concise Introduction Charles A. Barone, 2015-03-26 This straightforward introduction to radical political economy strikes a balance between breadth and depth and was written for the beginning student and others interested in a relatively short text on radical economics

An Introduction to the Three Volumes of Karl Marx's Capital Michael Heinrich, 2012-06 The global economic crisis and recession that began in 2008 had at least one unexpected outcome a surge in sales of Karl Marx's Capital Although mainstream economists and commentators once dismissed Marx's work as outmoded and flawed some are begrudgingly acknowledging an analysis that sees capitalism as inherently unstable And of course there are those like Michael Heinrich who have seen the value of Marx all along and are in a unique position to explain the intricacies of Marx's thought Heinrich's modern interpretation of Capital is now available to English speaking readers for the first time It has gone through nine editions in Germany is the standard work for Marxist study groups and is used widely in German universities The author systematically covers all three volumes of Capital and explains all the basic aspects of Marx's critique of capitalism in a way that is clear and concise He provides background information on the intellectual and political milieu in which Marx worked and looks at crucial issues beyond the scope of Capital such as class struggle the relationship between capital and the state accusations of historical determinism and Marx's understanding of communism Uniquely Heinrich emphasizes the monetary character of Marx's work in addition to the traditional emphasis on the labor theory of value this highlighting the relevance of Capital to the age of financial explosions and implosions

A People's Guide to Capitalism Hadas Thier, 2018-06-02 A lively accessible and timely guide to Marxist economics for those who want to understand and dismantle the world of the 1% Economists regularly promote Capitalism as the greatest system ever to grace the planet With the same breath they implore us to leave the job of understanding the magical powers of the market to the experts Despite the efforts of these mainstream commentators to convince us otherwise many of us have begun to question why this system has produced such vast inequality and wanton disregard for its own environmental destruction This book offers answers to

exactly these questions on their own terms in the form of a radical economic theory Thier's urgently needed book strips away jargon to make Marx's essential work accessible to today's diverse mass movements Sarah Leonard contributing editor to The Nation A great book for proletarian chain breaking Rob Larson author of Bit Tyrants The Political Economy of Silicon Valley Thier unpacks the mystery of capitalist inequality with lucid and accessible prose We will need books like A People's Guide to help us make sense of the root causes of the financial crises that shape so many of our struggles today Keeanga Yamahtta Taylor author of Race for Profit How Banks and the Real Estate Industry Undermined Black Homeownership Ranging from exploitation at work to the operations of modern finance this book takes the reader through a fine tuned introduction to Marx's analysis of the modern economy Thier combines theoretical explanation with contemporary examples to illuminate the inner workings of capitalism Reminds us of the urgent need for alternatives to a crisis ridden system David McNally author of Blood and Money
