An Ocean Away:

An Ocean Away Benjamin Landry, 2006-04 An ocean divides us Yet each particle transfers its energy to the next thereby completing vast connections An Ocean Away is concerned with these issues of alienation and intimacy It attempts to reconcile new experience with the task of making one's home in the world An Ocean Away draws as much upon the apparent facts of family origins and political history as it does upon the no less real facts of memory and fantasy The author's formative years in New England and his travels in South America and Asia serve as the backdrop for these poems Belly to tile arms outstretched and listening to the swallowed clink of a lawnmower I sifted through the bottom layers one bandaid one lost contact lens one jelly bracelet niece's which might have been from last week or three summers back But nothing seemed to fit just right Until I saw your shadow hovering in the shallow end my desire for you taking shape again That and the end of my air brought me back to you From At the Bottom Engaging naturally crafted Kenneth Lincoln author of *The Good Red Road* Professor of English UCLA **Love, Death and Whiskey** Patrick O'Sullivan, 2010 40 song lyrics by Patrick O Sullivan selected from the long back catalogue New songs that measure themselves against tradition folk chanson stage song and the crafted form of the literary lyric A book for musicians looking for worthwhile words performers looking for a new text he writes good songs for women singers A book for lovers of real verse and real feeling who respect traditional skills and lyric forms **Data Sketches** Nadieh Bremer, Shirley Wu, 2021-02-09 In *Data Sketches* Nadieh Bremer and Shirley Wu document the deeply creative process behind 24 unique data visualization projects and they combine this with powerful technical insights which reveal the mindset behind coding creatively Exploring 12 different themes from the Olympics to Presidents Royals and from Movies to Myths Legends each pair of visualizations explores different technologies and forms blurring the boundary between visualization as an exploratory tool and an artform in its own right This beautiful book provides an intimate behind the scenes account of all 24 projects and shares the authors personal notes and drafts every step of the way The book features Detailed information on data gathering sketching and coding data visualizations for the web with screenshots of works in progress and reproductions from the authors notebooks Never before published technical write ups with beginner friendly explanations of core data visualization concepts Practical lessons based on the data and design challenges overcome during each project Full color pages showcasing all 24 final data visualizations This book is perfect for anyone interested or working in data visualization and information design and especially those who want to take their work to the next level and are inspired by unique and compelling data driven storytelling *The One That Ran Away* Hildred Billings, 2019-07-13 Their love was written in the stars but one of them wasn't yet ready for fate Ten years ago Jess Mills had her life changed when she crossed paths with Shannon Parker the most beautiful girl at their small liberal arts college But what Jess assumed to be nothing more than a crush on a straight girl turned into the night of her dreams senior year Then Nothing Shannon was gone before graduation One of them has moved on The other is just getting started Shannon bumps
