ANCIENT FREE & ACCEPTED MASONS OF OREGON

MARCH QUARTERLY LECTURE:

AN INTRODUCTION TO THE ROSICRUCIAN ORDER, AMORC

BY ANJALA EHELEBE, PRONAOS MASTER

THE ANCIENT MYSTICAL ORDER of the Rosy Cross is a community of philosophers who study and practice the Natural Laws governing the Universe. Their mission is to provide people with the spiritual wisdom necessary to experience their connectedness with the miraculous world around us and to develop Mastery of Life.

Just how ancient are their teachings, and what can happen to their diligent students? Briefly covered will be some of the topics Rosicrucian students study, including "The Mysteries of Birth and Death," "The Illusory Nature of Time and Space," "Awakening of the Psychic Consciousness," "Human Consciousness and Cosmic Consciousness," and "Mystical Power of Vowel Sounds and Mantras."

Anjala Ehelebe received a Bachelor's Degree from Portland State University, and has obtained many licenses and skills over a busy life. She has worked as a freelance public relations person and journalist, a licensed massage therapist, software technical manual writer, licenser and investigator of veterinarians, personal financial adviser, project manager and administration manager in the State department of Forestry, from which she is retired. She has also been a leader in her neighborhood association, an environmental activist, and an activist for people with disabilities.

Ehelebe has traveled the world on Rosicrucian tours of sacred sites such as Bhutan, Tibet, Nepal, Egypt, Italy, and Sicily. In her spare time she reads avidly, and is currently writing a comic book series.
