An Open Letter To Stroker

Erica Jong

An Open Letter To Stroker:

The Devil at Large Erica Jong, 1994 The book begins with a question Why Henry Miller Miller remains among the most misunderstood of writers seen either as a pornographer or a guru a sexual enslaver or a sexual liberator a prophet or a pervert All the questions his life and oeuvre raise about the role of the writer in society the impact of books on sexual politics the impact of sexual politics on books the threat of censorship to free speech and written expression are unfortunately as fresh today as they ever were Part biography part memoir part critical study part exploration of sexual politics in our time The Devil at Large is an event a book that promises to rescue Miller from the facile charges of misogyny anti-Semitism and titillation that have been lobbed at him over the years and brilliantly captures the exuberance audacity and energy that defined his life and art More than that it is a reunion between a young writer and her mentor In 1974 while Fear of Flying was still a relatively obscure first novel Erica Jong received an enthusiastic fan letter from Henry Miller then an old man of eighty three Miller credited himself with discovering Jong and his faithful correspondence guided her through a year of enormous change The two writers chastised and celebrated for their lusty prose accused of conflating autobiography with fiction in their respective generations found they were kindred spirits and began a friendship that would last until Miller's death in 1980 Make it all up was Miller's appeal to Jong to become his biographer But in reexamining Miller Jong has not had to fictionalize She has imparted a deeper understanding of a life whose dramatic particulars have long since been mythologized dramatized and cannibalized by those in search of a lusty life story Jong puts the works the letters the loves through a prism that clarifies the creative impulse making this slim book a quintessential chronicle of a writer's life and a mirror of our own times Always the flesh and the vision together Anais Nin said of Miller The Devil at Large asks its readers to look anew at these elements and come to a new appreciation of a twentieth century visionary and prophet Stroker, 1991 Henry Miller David Stephen Calonne, 2014-08-15 As an author Henry Miller 1891-1980 was infamous for his explicit descriptions of sex and many of his novels from The Tropic of Cancer to Black Spring were banned in the United States on grounds of obscenity But his books frequently smuggled into his native country became a major influence on the Beat Generation of American writers and would eventually lead to a groundbreaking series of obscenity trials that would change American laws on pornography in literary works In this new critical biography David Stephen Calonne goes beyond Miller's notoriety to take an innovative look at the way in which the author's writings and lifestyle were influenced by his spiritual quests Charting Miller's cultivation of his esoteric ideas from boyhood and adolescence to later in his career Calonne examines how Miller remained deeply engaged with a variety of philosophies from astrology and Gnosticism to Eastern thinkers Calonne describes not only the effects this had on Miller's work but also to his complex and volatile life his marriages and love affairs with Beatrice Wickens June Mansfield and Anaïs Nin his years in Paris and the journey to Greece that resulted in the travelogue The Colossus of Maroussi the book Miller considered to be his greatest work After discussing

Miller's final residences in Big Sur and the Pacific Palisades in California Calonne considers the author's involvement in the arts love of painting and music and friendships with a number of classical musicians Miller Calonne reveals was a quirky charismatic man of genius who continues to influence popular culture today Highlighting many areas of the author's life that have previously been neglected Henry Miller takes a fascinating revisionary approach to the work of one of America's most controversial and iconic writers

Henry Miller Lawrence J. Shifreen, 1993

The Royal Touch in Early Modern England Stephen Brogan, 2015 First modern analysis of the custom of the royal touch in the Tudor and Stuart reigns The royal touch was the religious healing ceremony at which the monarch stroked the sores on the face and necks of people who had scrofula in order to heal them in imitation of Christ The rite was practised by all the Tudor and Stuart sovereigns apart from William III reaching its zenith during the Restoration when some 100 000 people were touched by Charles II and James II This book the first devoted to the royal touch for almost a century integrates political religious medical and intellectual history The custom is analysed from above and below the royal touch projected monarchical authority but at the same time the great demand for it created numerous problems for those organising the ceremony The healing rite is situated in the context of a number of early modern debates including the cessation of miracles and the nature of the body politic The book also assesses contemporary attitudes towards the royal touch from belief through ambivalence to scepticism Drawing on a wide range of primary sources including images coins medals and playing cards as well as manuscripts and printed texts it provides an important new perspective on the evolving relationship between politics medicine and sin in sixteenth and seventeenth century England Stephen Brogan is a Visiting Lecturer at Royal Holloway University of London where he teaches early modern history

Conversations with Henry Miller Henry Miller, 1994 Here is the inimitable Henry Miller speaking candidly about himself and his robust fiction *Tropic of Cancer* *Tropic of Capricorn* *The Air Conditioned Nightmare* In this enticing collection he argues convincingly for the things that have mattered in his full and exhilarating life He and his interviewers cover the range of his engrossing works that stirred obscenity charges as well as his life as an expatriate his loves and conquests his goals his beliefs and his probing insights into the culture that produced him and repulsed him These conversations serve as a retrospective visit with one of America's most distinctively opinionated most singularly identifiable and most invigorating authors arguably the grand guru of sex in American literature

The Great White Way Warren Hoffman, 2020-02-14 Broadway musicals are one of America's most beloved art forms and play to millions of people each year But what do these shows which are often thought to be just frothy entertainment really have to say about our country and who we are as a nation Now in a new second edition *The Great White Way* is the first book to reveal the racial politics

content and subtexts that have haunted musicals for almost one hundred years from *Show Boat* 1927 to *Hamilton* 2015 This revised edition includes a new introduction and conclusion updated chapters as well as a brand new chapter that looks at the blockbuster musicals *The Book of Mormon* and *Hamilton* Musical mirror their time periods and reflect the political and social issues of their day Warren Hoffman investigates the thematic content of the Broadway musical and considers how musicals work on a structural level allowing them to simultaneously present and hide their racial agendas in plain view of their audiences While the musical is informed by the cultural contributions of African Americans and Jewish immigrants Hoffman argues that ultimately the history of the American musical is the history of white identity in the United States Presented chronologically *The Great White Way* shows how perceptions of race altered over time and how musicals dealt with those changes Hoffman focuses first on shows leading up to and comprising the Golden Age of Broadway 1927 1960s then turns his attention to the revivals and nostalgic vehicles that defined the final quarter of the twentieth century He offers entirely new and surprising takes on shows from the American musical canon *Show Boat* 1927 *Oklahoma* 1943 *Annie Get Your Gun* 1946 *The Music Man* 1957 *West Side Story* 1957 *A Chorus Line* 1975 and *42nd Street* 1980 among others In addition to a new chapter on *Hamilton* and *The Book of Mormon* this revised edition brings *The Great White Way* fully into the twenty first century with an examination of jukebox musicals and the role of off Broadway and regional theaters in the development of the American musical New archival research on the creators who produced and wrote these shows including Leonard Bernstein Jerome Robbins Stephen Sondheim and Edward Kleban will have theater fans and scholars rethinking forever how they view this popular American entertainment

Forthcoming Books Rose Arny, 1990 **Factsheet Five**, 1989 **Restoration** Alexander Larman, 2016-04-07 In an England inhabited by Pepys Evelyn Dryden Hobbes and the young Isaac Newton Charles II is king and the nation is beginning to relax a little after the tough joyless years of Cromwell's Protectorate In RESTORATION Alex Larman paints a fascinating portrait of a country in the throes of social political and cultural change following the convulsions of the Interregnum Exploring every level of English society from innkeepers and upholsterers to lawyers and courtiers and examining themes as diverse as marriage sexuality and religion he creates a pointilliste and multi faceted portrait of Restoration England By looking at the year 1666 through the eyes of the people of the time by revealing what they ate and drank how they loved lived and died and how they interacted Alex Larman brings alive the England of 300 years ago as you have never seen it before exciting tangible and fully comprehensible **Modern American Literature** Paul Schlueter, June Schlueter, 1985 A collection of critical excerpts chronologically arranged under each author provide an overview of each author's career

Immerse yourself in heartwarming tales of love and emotion with its touching creation, **An Open Letter To Stroker** . This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
