Environmental Policy Analysis for Decision Making J. Loomis,Gloria Helfand,2006-01-09 1 ENVIRONMENTAL POLICY ANALYSIS WHAT AND WHY Why environmental policy analysis Environmental issues are growing in visibility in local national and world arenas as a myriad of human activities leads to increased impacts on the natural world Issues such as climate change endangered species wilderness protection and energy use are regularly on the front pages of newspapers Governments at all levels are struggling with how to address these issues Environmental policy analysis is intended to present the environmental and social impacts of policies in the hope that better decisions will result when people have better information on which to base those decisions Conducting environmental policy analysis requires people who understand what it is and how to do it Interpreting it also requires those skills We hope that this book will increase the abilities both of analysts and of decision makers to understand and interpret the impacts of environmental policies Policy analysis books almost invariably begin by pointing out that policy analysis can take many forms This book is no different As you will see in Chapter 1 we consider policy analysis to be information provided for the policy process That information can take many forms from sophisticated empirical analysis to general theoretical results from summary statistics to game theoretic strategies

The Choice Modelling Approach to Environmental Valuation Jeff Bennett,Russell Blamey,2001-01-01 a very useful single source for those interested in environmental evaluation using choice models David A Hensher Australian Journal of Environmental Management this book can serve as a firm basis to start understanding what CM is about Jes s Barreiro Hurl European Review of Agricultural Economics Choice Modelling is a technique that has recently emerged as a means of estimating the demand for environmental goods and the benefits and costs associated with them The aims of the book are fourfold to introduce the technique in the environmental context to demonstrate its use in a range of case studies to provide insights into some methodological issues to explore the prospects for the technique

Decision Making in Entrepreneurship Dean A. Shepherd,2016-11-25 In this volume Dean Shepherd focuses on the varying topics of entrepreneurship unified through conjoint analysis Although the topic of entrepreneurial decision making is broad in doing so he reveals the mechanisms that come into play during the entrepreneurial decision making process
