## Camera At War:

Cameras at War John Wade,2020-07-30 A comprehensive history of the development and use of cameras in recording British military conflicts from the 1850s to the 1950s Books about war and the pictures that came out of conflict usually concentrate on the picture content But behind every picture there is a camera and that s what this book is about Profusely illustrated throughout with pictures of the cameras rather than the pictures they took it looks at one hundred years of conflict from the Crimean War to the Korean War It begins in the days when a photographer needed to be more of a scientist than an artist such were the difficulties of shooting and processing any photograph It ends with the cameras whose compact dimensions versatility and ease of use meant that photographers could largely forget the science and concentrate on the art Some cameras simply recorded events Others defined and changed the way those events proceeded These were the cameras that went to war and this is their story Praise for Cameras at War An amazing collection of superb photographs beginning with some from the Crimean War coupled with a brilliant narrative that emphasizes the use of photography to record conflict Where would we be without such evidentiary mementoes Books Monthly UK The Camera at War Jorge Lewinski,1986-07-01 Covers the range of war photography from Matthew Brady s classic Civil War photographs to the work of contemporary photographers tracing the photographer s role from that of a distant witness to that of an intimate companion **The Camera at War** ,1980 Text and more than 300 photographs trace the evolution of war photography from the 1840s to the present with an explanation of the changing role of the photographer and an introduction to the men and women who developed this art form The Camera at War Jorge Lewinski,1986 *The Camera at War* Hilary Roberts,2025-10-23 It is said that the first casualty of war is truth But in the arena of war photography the truth is never simple Drawing on an incredible range of imagery from the Imperial War Museum s vast collection and other major archives around the globe expert curator Hilary Roberts presents a new perspective on the role of image manipulation in this field over the past 170 years exploring the consequences for our understanding of historic and contemporary conflicts From the staged scenes and hand coloured Daguerreotypes of the Crimean War at the very beginning of conflict photography to the AI generated protest and propaganda imagery of today Roberts explores the myriad ways in which layers of meaning can be added erased or changed completely As The Camera at War so powerfully reveals sometimes this has been done in order to present a closer approximation of the truth and sometimes for the causes of national morale subterfuge and control of the winning narrative **Cold War Camera** Thy Phu,Erina Duganne,Andrea Noble,2022-11-14 Cold War Camera explores the visual mediation of the Cold War and illuminates photography s role in shaping the ways it was prosecuted and experienced The contributors show how the camera stretched the parameters of the Cold War beyond dominant East West and US USSR binaries and highlight the significance of photography from across the global South Among other topics the contributors examine the production and circulation of the iconic figure of the revolutionary Vietnamese woman in the 1960s and 1970s

photographs connected with the coming of independence and decolonization in West Africa family photograph archives in China and travel snapshots by Soviet citizens photographs of apartheid in South Africa and the circulation of photographs of Inuit Canadians who were relocated to the extreme Arctic in the 1950s Highlighting the camera's capacity to envision possible decolonialized futures establish visual affinities and solidarities and advance calls for justice to redress violent proxy conflicts this volume demonstrates that photography was not only crucial to conducting the Cold War it is central to understanding it Contributors Ariella Azoulay Jennifer Bajorek Erina Duganne Evyn L Espiritu Gandhi Eric Gottesman Tong Lam Karantha Lowe ngeles Donoso Macaya Darren Newbury Andrea Noble Sarah Parsons Gil Pasternak Thy Phu Oksana Sarkisova Olga Shevchenko Laura Wexler Guigui Yao Donya Ziaee Marta Zi tkiewicz *Glass Warriors* Duncan Anderson,2005 Duncan Anderson examines the impact of legendary photographers such as Robert Capa Edgar Snow and Don McCullin in shaping public opinion and celebrates some of the iconic images that have come to represent conflict
