THE HISTORY OF ANCIENT ISRAEL

Most of what scholars know about the history of Ancient Israel is found in the Bible. The story of the Israelites, or the Hebrews, is a long, interesting story full of surprising twists and turns. The basic storyline is of a group of people who descended from a man named Abraham. After being enslaved in Egypt for many years, the Israelites finally made it to Canaan in around 1200 BC. Canaan, is modern day Israel. There, the Israelites established their nation.

Prior to coming to Canaan, the Hebrew people had been nomads. This means they moved from place to place, without having a permanent home. However, the Israelite's God, known as Yahweh, had promised them a beautiful land of milk and honey in which they could settle.

The Israelites were one of the first groups of people to practice monotheism. This means they believed in only one God. Other civilizations that existed around the time of Ancient Israel were polytheists, and believed in many gods. This religion was the beginnings of Judaism, which would grow to become one of the world's major religions. Judaism has also influenced Christianity and Islam greatly.

David was the great king of Ancient Israel, following Saul's short reign. The first king of Ancient Israel, Saul, was anointed by Samuel, one of the great prophets. In Judaism and for the Ancient Israelites, prophets were important leaders who were inspired directly by God.

David became king around 1000 BC. He was an important warrior, poet and leader. As king, he conquered Jerusalem, which he made the capital of his kingdom. In addition, he annexed other areas to increase the size of his empire. Also, he fathered Solomon, who would succeed him as king.

King Solomon is well known in Christianity and Judaism for his wisdom. Under his reign, the first temple in Jerusalem was built. However, Solomon also is said to have favored the southern tribe of Judah. Following his death, his son, Rehoboam, treated the northern tribes with hostility. As a result, these tribes seceded from the nation, breaking the Israel into two kingdoms: one in the north and one in the south. The northern kingdom was known as Israel and the southern as Judah.
