seventeen episodes over two years and the first ever co production between the CBC and Radio Canada Making History is Starowicz s shockingly candid account of the making of the series Proposed at a time when the CBC was laying off veteran staff en masse and shutting down its production facilities because of government cutbacks the very idea of the series was more like the last gasp of a dying corporation than a sound proposal The obstacles the series faced were enormous the incomprehension and lukewarm support of some of the CBC brass the technical and political challenges of being the first ever French English co production in Canadian television the exasperating job of searching for corporate partners Despite these huge obstacles when the series went to air it took the country by storm gathering record numbers of viewers each episode A madcap adventure story an insider s account of a major corporation at its nadir and the story in microcosm of relations between English and French Canada Making History is brutally honest and often very funny From the Hardcover edition
