**Can We Know God?** Maurice Roberts,2006 This world is divided into two groups those who know God and those who do not Though there are many other differences between people this is the greatest To be ignorant of God has a profound influence on the way we think work and live our entire life more still on the way we die and what will happen to us after death

God, as We Know Him and Shall Know Him E.W Ettoh,2015-12-29 This book is here to awaken direct and redirect the innate desire in every human being to know the true God Many people including believing Christians do not know God as He is but lower Him to the level of one who exists to meet their needs Others perceive God as existing to punish bad people and reward the good Still others disregard God entirely and prohibit Him from being part of their day to day life But how is God really like in nature character and dealing with us How does God want us to know Him What is left to know about God Is God relevant in our modern livelihood In this book the author traces out the quality and quantity of Gods self revelation to humanity through His Word Nature and His dealings with us all The author has summarised and contextualised many in depth revelations It is the authors hope that by reading this book you will be empowered and drawn closer to your heavenly Father who loves you

Your Right to Know God Emmanuel W. Ettoh,2014-12-04 This book underscores the natural right of all humans to know God Today we are told that God is irrelevant to our livelihood and we do not need God for anything This deception emanates from our lack of understanding of and about God In this book you will find insight into Who God really is How and why it is your right to know God The benefits of knowing God for the individual nation and the Christian How Science tells us more about God How you can know God on a personal level and the stages of knowing God How you can discover yourself in God and the blessed privileges we all have in Christ Jesus And many more Usually our understanding of God is too human and we end up misunderstanding Him and subsequently missing out on knowing Him This book is here to help you understand and know the true God who made you

McKim,2017-09-20 Presbyterians often have questions about Presbyterian theology and beliefs that are basic to Christian faith itself Featuring a unique question and answer format Presbyterian Questions Presbyterian Answers is an accessible and concise treatment that provides a sampling of these questions on important topics and brief but complete answers from a distinguished Presbyterian theologian Fully updated for the changes to the Presbyterian new Form of Government this revised edition also includes updated entries and six new questions and answers Arranged according to doctrinal topics the book is ideal for individual and group study church officer training new member and confirmation classes and all those who are interested in Presbyterian theology To Know God Anthony DAugustine,2020-05-14 Does God exist Can we know God These questions are but two of many that represent the mysteries of life The greatest minds in the fields of philosophy theology and science have wrestled with these questions over the millennia looking for definitive answers Their responses to these two questions have been profound and persuasive Yet in spite of the proofs presented doubt continues to exist In the end as the saying goes It all comes down to faith It always does and always will In full recognition of that fact To Know God is a journey of faith It is an apologetic that seeks knowledge of God first through love then through revelation and reason to offer proof beyond reasonable doubt that God does exist and as far as humanly possible is knowable It looks to areas where Divine manifestations metaphysics and the laws of science find common ground It is through this unification of spiritual enlightenment and transcendence with science that the existence of God becomes apparent What is more the common underpinnings of this union help us as far as our limited capacities will take us to understand the substance and essence of God In other words take us to a point where we can begin To Know God
