This tutorial hits the mark by providing project managers, practitioners, and educators with source materials on how project managers can effectively deal with this risk. Dr. Kenneth E. Nidiffer, Systems Software Consortium, Inc. Walker Royce, Vice President, IBM Software Services Rational **Acts** Martyn Lloyd-Jones, 2013 In this three-volume collection of sermons, Lloyd Jones explains the message of the first eight chapters of the book of Acts, from the birth of the church at Pentecost to the dramatic stoning of Stephen. Newly redesigned [I Am Not I](#) Jacob Needleman, 2016-04-19 In this striking meditation on the relationship between the adult self and the inner child, Jacob Needleman presents excitingly original positions on age-old spiritual and philosophical questions. Ken Wilbur, Seeking to reconcile the split between our inner child and our adult self, eminent philosopher and religious scholar Jacob Needleman evokes the ancient spiritual tradition of a deep dialogue between a guiding wisdom figure and a seeker. The elder offers an initiation to a younger self, an

initiation the author feels is missing from our culture Rendered as a stage play the conversation between the 80 year old author and his younger selves unfolds and an ambiguity emerges as to whether this is strictly the author s internal dialogue or whether the younger self may be nurturing a rebirth of the author On one level I Am Not I brings younger readers teenagers and young adults face to face with powerful spiritual and philosophical ideas But as the book progresses the dialogue delves into questions and insights that carry astonishing new hope and vision for every man and woman challenging our culture s accepted and often toxic ideas about humanity s place in a living universe **Granville de Vigne.
