In *Here Come the Brides* editors Audrey Bilger and Michele Kort gather together the voices of women taking part in and shaping this major historical shift. Representing a diversity of points of view in terms of race class ethnicity and gender identification this collection of essays stories and visual images takes a multidimensional look at how opening up the traditional order of man and wife to include the possibility of wife and wife is altering our social landscape. From wedding pictures and images of protest signs to comical anecdotes and sober philosophical analyses *Here Come the Brides* is an exploration of how the legalization of same sex marriages has irrevocably changed the way lesbians think about their unions and their lives and a celebration of the dream of lesbian happily ever afters.
