Sides,2009-05 Jim Sides draws upon a lifetime of experiences to dovetail stories taking place on opposite sides of the world Through tragedy misfortune and international intrigue the participants discover the difference between head knowledge and heart knowledge That difference is the great divide illustrated most critically in the matter of a personal relationship with the Lord Jesus Christ The story opens with the hijacking of a Japanese airliner carrying a double agent to North Korea in 1969 Events in both Koreas become interspersed with the story of a spiritual transformation in the United States where the derelict Edwin Scruggs and the outwardly successful Reverend Reagan Ainsworth discover what it means to live true Christianity The death of Scruggs brings into focus the priorities of Ainsworth Daniels the mission worker Betty Hodges and the pompously religious Paul Johnson Even after his death Edwin Scruggs serves as a guide to the way home Tension between right and wrong in the arenas of leadership sovereignty of nations personal morality and the need for worldwide understanding and brotherhood is evident the importance of relationships is woven into the narrative from beginning to end Nearly all of the events are based on fact although they have been fictionalized for the telling Jim Sides received the Bachelor of Music Education degree in 1965 from Mars Hill College Mars Hill NC and holds the Master of Church Music 1967 and Doctor of Musical Arts 1982 from Southwestern Seminary Fort Worth TX From 1967 1971 he served on active duty as an Air Force Administrative Officer with assignments in Florida South Korea and Illinois He has served churches in the southeastern United States for thirty years and was on college music faculties for seven years **Almost Home** ,2009 Old

flames re ignite and new passions burn when lovers follow their hearts back to the place they once called home Great American Outpost Maya Rao,2018-04-24 A surreal lyrical work of narrative nonfiction that portrays how the largest domestic

oil discovery in half a century transformed a forgotten corner of the American West into a crucible of breakneck capitalism. As North Dakota became the nation's second largest oil producer, Maya Rao set out in steel toe boots to join a wave of drifters, dreamers, entrepreneurs, and criminals. With an eye for the dark, absurd, and humorous, Rao fearlessly immersed herself in their world to chronicle this modern-day gold rush from its heady beginnings to OPEC's price war against the US oil industry. She rode shotgun with a surfer-turned-truck driver braving toxic fumes and dangerous roads, dined with businessmen disgraced during the financial crisis, and reported on everyone in between, including an ex-con YouTube celebrity, a trophy wife mired in scandal, and a hard-drinking British Ponzi schemer in a social scene so rife with intrigue that one investor called the oilfield Peyton Place on steroids. As the boom receded, a culture of greed and recklessness left troubling consequences for investors and longtime residents. Empty trailers and idle oil equipment littered the fields like abandoned farmsteads, leaving the pioneers who built this unlikely civilization to reckon with their legacy. Part Barbara Ehrenreich, part Upton Sinclair, *Great American Outpost* is a sobering exploration of twenty-first-century America that reads like a frontier novel. **Primitive Methodist**, 1896 *Lippincott's Monthly Magazine*, 1907 [Almost Home](#) Roy J. Greenberg, 2011-11. Is there anything more we can do? Is entry into God's world possible? Is conscious contact with God Himself possible? Is our world but a shadow of the world as God would have it be? We all ask these questions on our spiritual journey. Most of us seek things that promote our wellbeing. We want to love and we want to be loved. We want to be appreciated. We want to be safe. We want to be free from worry and other turmoil. We want to be content. To these ends, we devote our lives. To these ends, we devote our prayers. Fortunately, a creator is never far from his creation. Deep inside, many people have asked why it has to be this way. Maybe it doesn't. Maybe we are Almost Home after all. [Almost Home](#) Joan Bauer, 2012.
