Levine,1957      *Alpha Omega Alpha ...* Alpha Omega Alpha,1936      **The Syllabus of Northwestern University** Northwestern University (Evanston, Ill.),1910      *Alpha Omega* Louis Everstine,2016-08-15 I DEATH After a long frightening journey a Seeker of Truth reaches the top of a mountain and finds the cave of the Wise One He says O Wise One I have come many miles and suffered many hardships to ask you one question Ask says the Wise One What is the meaning of life says the pilgrim The Wise One pauses smiles slightly and replies You have come far and seem to me worthy so I shall give you what you seekthe truth The answer is in your question and this journey is your life Go back

down the mountain When you arrive you will know how much time you have wasted and you will have no more time left So give me your watch Why is life so mysterious and why is its purpose so elusive to us It may be that we have looked for the meaning of life in the wrong places as though in a nightmarish scavenger hunt arranged by the Prince of Darkness himself From one moment to another we thought it was money or power or fame or honor or comfort or some other pleasure of the flesh only to see them finally as false clues leading to a mountain we shouldnt have climbed This book records an inquiry that found the meaning of life by discovering the meaning of death This is reflected in the words and behavior of those who decide to die the suicides These poor souls have much to teach us for they have measured out for us the value of death from which we can calculate the value of life So a study of suicide leads to the truth about life yours and mine This book guides you to that revelation The surprise of the book is that you will discover that you knew it all along The promise of the book is that you will know that you know II LIFE The relationships that a person has with other people are the central core of that persons existence The people you meet the members of your family those whom you love and even your sworn enemy are the motivating forces behind everything you do and the reason for your stay on this planet In short the meaning of life is relationship What if life were relationship pure and simple the end and the beginning If life is relationship it is not wealth or fame It is not winning or acquiring or what you accomplish or where you live or how much education you have or the honors you have been given It is not how law abiding you are or how devout you are in your religious faith Your worth is measured not by your bank account the property in your name or the trust you established for your child or children Your worth is measured by the relationships you have formed in your lifetime and the care with which you have conducted them and the way that you treated those other persons This view of people as enmeshed in relationships with others living in by and for them rejects the Cult of Self and the selfishness nourishing that demon Your lifes meaning is before your eyes each day In every encounter that you have with another person every word or glance or touch life reaches out and embraces you and fulfills your purpose for being here
