

A photograph of a suspension bridge over a body of water. In the foreground, several large, dark, cylindrical objects, possibly buoys or markers, are floating in the water. The bridge spans across the background, and the sky is clear.

Alpha Ruins

Charles Borkhuis

Alpha Ruins Series In Contemporary Poetry

Marc Hudson

Alpha Ruins Series In Contemporary Poetry:

Alpha Ruins Charles Borkhuis,2000 Alpha Ruins was written as a collection of poems of sensual abstraction that attempts to advance the perimeters of a post modern critical lyric The project was to create poems that work in the gap between the analytical social and semiotic concerns of contemporary language writing and that of a more dream like mythic existential awareness of the body as an ontological presence in the writing process Readings in Contemporary Poetry Vincent Katz,2017-01-01 Culled from Dia Art Foundation s Readings in Contemporary Poetry series this anthology includes ninety four poets who have participated in the reading series from 2010 to 2016 Edited by poet and author Vincent Katz the book stresses the experimental aspects of contemporary poetic practice highlighting commonalities among poets and placing their diverse voices in conversation with one another **The Disappearing Poet Blues** Marc Hudson,2002 The poems in Marc Hudson s The Disappearing Poet Blues are driven by a moral anguish how do we live they ask in strict circumstances what is the worth of profoundly limited human life how can one be both a good father and a good artist BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *Poems and Elegies* Ольга Седакова,Catriona Kelly,2003-12 An intensely philosophical and religious poet Olga Sedakova writes of nature music and the inner spiritual life As one of the preservers of traditional Russian culture she stands in stark contrast to the rampant commercialization in contemporary Russian life instead tracing her poetic roots back to the early avant garde movements of pre revolutionary Russia For that stance she endured years of censorship and silencing during the Soviet regime her poems distributed by hand in mimeographed copies or by word of mouth This volume introduces to an English speaking audience an extensive selection of poems by one of Russia s most distinguished lyric poets writing today **The Fiddler's Trance** Floyd Skloot,2001 Poet essayist and novelist Floyd Skloot continues his exploration of human resilience in The Fiddler s Trance his third full length collection of poems Skloot s poems investigate the phenomenon of sudden change in our lives when all we understood about ourselves and our worlds is called into question and we must find a new way of seeing **Swimming with Dolphins** Adrian Oktenberg,2002 A poetry collection that explores themes of nature human connection and personal reflection **The Ten Lights of God** Afaa Michael Weaver,2000-03 The vatic reach of these poems is contextualized in notions of the human interior as its own universe seeking life and death themselves as the bridges to the unknowable Weaver seeks to travel the interior of lyricism itself the nakedness of human consciousness and its own nervous arrangement which we know as language BOOK JACKET *American Book Publishing Record* ,2000 **Alluvial** Katherine Soniat,2001 Alluvial charts the course of individual and collective histories influenced by the rich alluvium of culture and geography ecology and autobiography These beautiful poems dance in memory s drift and to filter a future always infused with the past **Poetry Project** ,2002 *The Journal of Education* ,1906 **Books in Series, 1876-1949** R.R. Bowker Company,1982 *The Athenæum* James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth

Dilke, Thomas Kibble Hervey, William Hepworth Dixon, Norman Maccoll, Vernon Horace Rendall, John Middleton Murry, 1874
