

One is like a submarine,  
It starts at the top  
and then it sinks.

Two blows up around  
the world, then floats down  
and over again.

Three is bumpy like a chopper, fly  
around the helicopter.

Four is like a crazy flip.  
One driver goes first,  
then the other can drop.

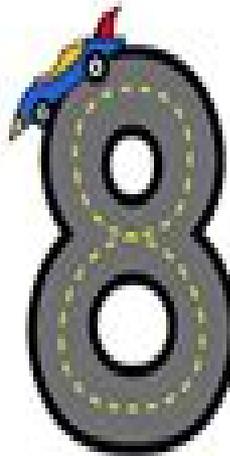

Five is like an emergency room.  
Over, down and around then the  
base can start.

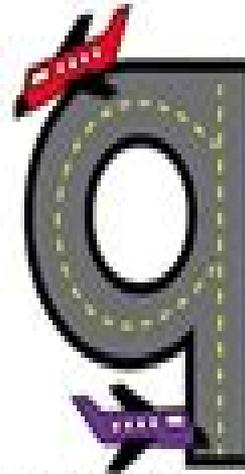

Six is like a rocket ship,  
It starts going up and then  
over for a loop.

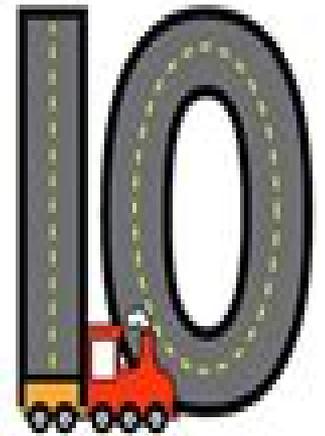

Seven is like a bus stop,  
Over to the kids and  
slide down to school.

Eight is like a race car track,  
Go down and around then  
come right back.

Nine is like air traffic control,  
Send the red plane around  
while the purple flies low.

Ten is like a new train track,  
Go down pick up,  
then around and back.
