Alpine Pursuit:

The Alpine Pursuit Mary Daheim, 2004-03-30 As her myriad of fans can attest USA Today bestselling author Mary Daheim creates wonderful mysteries peopled with marvelous characters as quirky as they are endearing The Seattle Times says Daheim is one of the brightest stars in our city's literary constellation and the popularity of her irresistible Pacific Northwest crime series has swept across the nation For a small town newspaper like The Alpine Advocate a new play at the local community college is big news Editor and publisher Emma Lord is duty bound to attend opening night but expects the amateur enterprise will serve only as a cure for insomnia The play is dubbed a black comedy but the only laughs Emma gets are from the bad acting and the wretched script And while the turgid production makes Wagner's Ring cycle seem like a vignette the real drama begins just before the final curtain Hans Berenger dean of students wasn't well known or well liked around Alpine but the audience found his death scene genuinely convincing until they realized he wasn't acting No one can say how or when the blanks in the prop gun were replaced with the real bullets that killed Berenger but the list of suspects reads like a playbill of the cast and crew They all had opportunity access and their own axes to grind with the thespically challenged dean Seeking the assistance of Vida Runkel the Advocate's redoubtable House and Home editor Emma Lord vows to unravel a mystery that spirals out into unexpected places As Emma sets the stage for the most likely suspect she finds herself in a two character scene whose next cue could make the resolute editor take a final and permanent bow **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Sequels Janet G.
