**The Rainbow Dove of Love Unites the Peace Tree of Life** Patti Ann Nobile,2013-08-31 Many years ago I had a vision full of dreams of putting a positive drop in the ocean of life to help create a better world for all of us in generations to come I saw with a broken mirror with a world full of tears full of hurts and frustration with deepening pain which cried endlessly for a red cross band aid and cure It was many years later that my vision was written on paper in the form of poetry My many trials and suffering along with many running off the road of light with dead ends did not go in vain I hope my many poems of love Jesus Mary peace and the poor will help to inspire each reader to open their eyes and minds wider to Jesus endless love and dreamers with authentic peace with their hearts open to realize the suffering and the huge rocky mountain that the poor and unwanted lost and forgotten climb that mountain courageously day after day You may be passing by a war hero in disguise many have despairing stories to tell Jesus dwells in the suffering poor He loves his forgotten lamb in the same way that he loves us Please give them dignity and respect for they struggle for the good life with the little that they have with hopeful courage and a trail of brokenness and pain with hanging on to the Lord's strength and his many crosses to turn their darkness into God's light So be a brother or sister to them and lend them a hand when you can their destiny starts and ends with you

my life isn't exactly normal as you will read And neither are some of my poems The question for me to ask is anyone's life really normal I wanted my life to be written so that the future generations of my family will know about me And will know of how I became the person that I ended up to be By accident I realized that I could write poems of many kinds A guarantee that you will laugh and sometimes cry and even learn from my poems Of how to love heal cope laugh cry live and get even through my poems Many of my friends online around the world give me subjects to write about To be their words for them to speak to others To help to Heal to dream reasons to live and reasons to want to pray And reasons to not want to die I thought to myself that if I'm going to be a writer that I don't want to let one subject to be untouched To speak out words that I feel need to be heard through my poems I want my book to be of help to others for whatever needs they have And I pray with my whole heart that you get something good out of what you are about to read And whether you believe it or not you will find in my book of something that you might need written in one or more of my poems And the life story is to help you know that your life is better than you may have thought In my poems there is something for everyone And that means you My e mail is written in my book if you would like to write me or even comment on my book Weather good or bad happy or sad I would like to know of how you feel
