Always Say Die:

Never Say Die Susan Jacoby, 2011-02-01 Susan Jacoby an unsparing chronicler of unreason in American culture now offers an impassioned tough minded critique of the myth that a radically new old age unmarred by physical or mental deterioration financial problems or intimate loneliness awaits the huge baby boom generation Combining historical social and economic analysis with personal experiences of love and loss Jacoby turns a caustic eye not only on the modern fiction that old age can be defied but also on the sentimental image of a past in which Americans supposedly revered their elders *Never Say Die* unmasks the fallacies promoted by twenty first century hucksters of longevity including health gurus claiming that boomers can stay forever young if they only live right self promoting biomedical businessmen predicting that ninety may soon become the new fifty and that a cure for the disease of aging is just around the corner and wishful thinkers asserting that older means wiser The author offers powerful evidence that America has always been a youth culture and that the plight of the neglected old dates from the early years of the republic Today as the oldest boomers turn sixty five it is imperative for them to distinguish between marketing hype and realistic hope about what lies ahead for the more than 70 million Americans who will be beyond the traditional retirement age by 2030 This wide ranging reappraisal examines the explosion of Alzheimer s cases the uncertain economic future of aging boomers the predicament of women who make up an overwhelming majority of the oldest and poorest old and the illusion that we can control the way we age and die Jacoby raises the fundamental question of whether living longer is a good thing unless it means living better Her book speaks to Americans whatever their age who draw courage and hope from facing reality instead of embracing that oldest of delusions the fountain of youth

The Resurrection and Immortality William West,2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He justcame back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment
