Amazon Emotions Francisco Ritta Bernardino, 1998 *Creative Brand Naming Strategies* Purnima Embranthiri, 2025-02-20 What makes a brand successful It s a complex question with many answers but one factor stands out clarity Successful brands share a clear message and a distinct point of difference In the intricate world of business and marketing where economic factors and human judgments create a fog clarity becomes crucial A brand must have a consistent and easily identifiable message even if it diversifies its products Branding is the language of business and despite the challenging decisions behind it a brand should always speak clearly to the market Consumers make quick decisions often in seconds unlike brand managers To win them over communication must be crystal clear Branding is akin to writing as William Wordsworth said Every great and original writer must himself create the taste by which he is to be relished This book

explores the principles and practices of creating clear impactful brand names that resonate with consumers ensuring that your brand stands out in a saturated market
