**The Philosophy of Rhetoric** George Campbell,1911 [American Studies International](#) ,2004 **Studies in English Literature** ,1964 *Ethics from a Theocentric Perspective, Volume 1* James M. Gustafson,1984 Ethics from a Theocentric Perspective will surprise some shock others and unleash a flood of speculation about what has happened to James Gustafson The answer quite simply is nothing has happened to Gustafson except that he has now turned his attention to developing his constructive theological position and we should all be very glad In this the first of two volumes Gustafson displays his colors as a constructive theologian and they are indeed brilliant and splendid Though Gustafson is a theologian who works in the Christian tradition he reminds us that the God Christians worship is not merely the Christian God For Gustafson the kind of God who is the object of the theologians's reflection eludes or surpasses the inevitably confessional activity of Christian theological reflection Thus Gustafson the constructive theologian is also Gustafson the revisionist theologian who takes as his task nothing less than challenging the anthropocentrism that he alleges characterizes mainstream Western Christian theology Stanley Hauerwas *Journal of Religion* [IDSA News Review on East Asia](#) ,1989 *Criminal Litigation and Sentencing* ,1998 **The philosophy of the active and moral powers of man ...
