it gives you a purpose in life Three people two boys and one girl have the most beautiful singing voices in the whole school They love singing but no one likes their songs because they do not sing English but so what If it is their dream to become singers why let others block their path to success Memorable Quotes Thanks Bradley It is not likely people will like us because we sing in different languages Why can people not accept everyone is different Because people only like what they like They do not care about what everyone else likes I was afraid that you would think I was a cry baby She answered quietly I was distracting my father from the road and he ran into another vehicle Both my parents died almost instantly from the crash and I was the sole survivor not even the other vehicle s passengers survived from the crash My parents were very lovable people they had many friends Ryan began Nearly everyone in our neighbourhood knew them We were a wealthy family that lived well with all the other wealthy people My parents were murdered by being stabbed repetitively then shot twice each There were two murderers but only one was caught The other committed suicide to avoid going into prison They deserve the prison time for taking away my parents but I have lived life as they had by doing the one thing that I am happy doing singing Murderers deserve a life sentence for murder not just a set period I want to show images of what happens at war just the like original music video to this song It would teach arrogant country leaders that war solves nothing All it does is hurt others Even though people are fighting for their countries it makes things worse by hurting others Too bad people do not listen to foreign songs A lot of foreign songs have powerful messages but people are too ignorant to give them a try Bradley proudly said Fond Memories When the love of your life forgets who you are when they wake up how would you feel Miserable or desperate to win them back before someone else did That is how Jonathan James felt It got even more difficult when his brother falls in love with the same girl Memorable Quotes Wealthy people are so arrogant Just because they can have anything they want they take advantage of that and act all high and mighty They treat everyone who is considered lower than them to be scums or people unworthy of their attention Why do people only like wealthy people They are not the best type of people anyway
