Altered Loves:

Altered Loves Terri Apter, 1991-09-17 Why is adolescence a time of conflict between teenage girls and their mothers Is mother daughter strife a way of redefining a critical relationship Terri Apter answers these and other important questions in this book which addresses the female experience in the insightful tradition of Carol Gilligan s *In a Different Voice* A New York Times Notable Book of the Year [Altered Loves](#) T. E. Apter, 1990 *Mothering and Daughtering* Eliza Reynolds, Sil Reynolds, 2013-04-01 Mothers and daughters share and want a bond for life one that can remain positive and grow stronger with each passing year Sil and Eliza Reynolds have designed a set of tools to assist you in nurturing that bond If you re locked in a clash of wills or fear the prospect of getting into one with Mothering and Daughtering you can learn how to build the foundation for a deep and lasting relationship that is a source of support joy and love throughout your lives Offering you two breakthrough guides in one Mothering and Daughtering was created to help you find and protect the unique treasure that is your relationship For moms Sil addresses the central task of stopping the cycle of separation and anxiety that plagues so many drawing on her clinical expertise to nurture the skills of listening boundary setting mirroring containing and more Turn the book over and Eliza shares empowering advice to teens looking to keep it real with Mom while also finding strength in their own intuition friendships and dreams Packed with practical exercises activities and lifesaving insights gleaned from Sil and Eliza s workshops Mothering and Daughtering explores these essential topics and more Your best friend known as your intuition Navigating the treacherous territories of comparison performance and perfectionism Dispelling the rejection myth Sex positive discipline and how to prevent a technological take over Winning the body love battle Healing your emotional legacy Humor truth trust and love instead of trying to be perfect Repairing ruptures and getting to the bottom of misunderstandings Locating your fundamental bond that always connects you beneath your daily squabbles No one nowhere connects just like you write Sil and Eliza Whether you are already thriving in your relationship or merely surviving Mothering and Daughtering is an indispensable resource to honor and strengthen that one of a kind connection through the years ahead

[Secret Paths](#) Terri Apter, 1997-01-07 The author of *Altered Loves* now turns her analytical eye toward middle aged women The result is both lively and revealing New York Times Book Review [Narratives of Mothering](#) Gill Rye, 2009 Mothers have been both idealized and demonized in Western cultures With Simone de Beauvoir s feminist analysis of motherhood in *The Second Sex* as her point of departure Rye Germanic and Romance studies U of London studies how French autobiographical and fictional narratives of mothering since 1990 differ from those told about them In the context of societal changes she explores themes including loss and trauma related to childbirth literally and figuratively ambivalence and guilt power and powerlessness and lesbian and single parenting in the works of Christine Angot Genevieve Brisac Marie Darrieussecq Camille Laurens Leila Marouane and Marie Ndiaye among others **You Don't Really Know Me** Terri Apter, 2015-05-27 Understand what your teenage daughter really means and learn to use your arguments to strengthen your

bond with her Mothers and teenage daughters argue more than any other child parent pair on average every two and a half days These quarrels Terri Apter shows are attempts to negotiate changes in a relationship that is valued by both mothers and daughters A daughter often feels her mother doesn't know or understand her and by fighting hopes to force her mother into a new awareness of who she really is how she has changed and what she is now capable of doing and understanding But mothers often misinterpret their daughter's outbursts as signs of rejection and they may pull back feeling hurt and confused Through case studies and conversations between mothers and daughters Apter shows mothers how to interpret the meanings behind a daughter's angry words and how to emerge from arguments with a new closeness **On Love** Hugh Feiss, 2012
