

A sunset scene with a path leading towards the sun. The sun is a bright orange circle in the center of the sky, surrounded by a hazy orange glow. The sky transitions from orange at the horizon to a deep blue at the top. In the foreground, a path of light-colored stones or gravel leads from the bottom center towards the sun. To the left, there is a dark silhouette of a forest of evergreen trees. To the right, there are bare, dark branches of a tree. The overall mood is serene and contemplative.

The universe is always  
stranger than you think.
