California Library Association

California Local History

Cyndi Howells

California Local History:

California local history Margaret Miller Rocq,1970 **California Local History** California Library Association,1950
Local History and Genealogy Resources of the California State Library Gary E. Strong,1991 California Local History
California Library Association,1950 **California Local History** ,1976 **Historic Spots in California** Douglas E.
Kyle,Hero Eugene Rensch,Ethel Grace Rensch,Mildred Brooke Hoover,William Abeloe,2002-09-06 The only complete guide to
the historical landmarks of California this standard work has now been thoroughly revised and updated The edition is
enriched by some 200 photographs most of which were taken by the reviser and all of which are new to this edition Since the
last revision in 1990 enormous changes have taken place within the state many landscapes and buildings have been greatly
altered and some are no longer in existence Every effort has been made through personal observation to record the present
condition of the landmarks and to provide clear and accurate descriptions of their locations The text is written with the idea
that the reader might use the book while traveling around the state and thus mileage and signposts have been given where it
was thought helpful For this new edition the reviser has added additional information on the state s geography the presence
of Native Americans and state and local museums To provide historical background the reviser has written a short historical
overview The chapters of the book are organized by county in alphabetical order A rough chronology is followed for each
county beginning with pertinent facts on geography continuing with Native American life the coming of the Spaniards and
other Europeans the American conquest of the 1840s and in those areas where it had a major impact the gold rush The text
then continues into the period of intensive agricultural development railroads industrialization the growth of cities the effects
of World War II and on into more recent times The bibliography like the text has been updated to 2001 and includes some of
the established classics in California history as well as more recent material Reviews of the Fourth Edition Prodigious in
detail and scope this is the definitive guide to historical landmarks in California and a valuable resource not only for travelers
but also for anyone interested in California history California Highways This is an outstanding and accessible piece of
scholarship one that every student of California will value San Francisco Chronicle Kyle and Stanford University Press are to
be lauded for this monumental undertaking Southern California Quarterly *California local history* Margaret Miller
Rocq,1976 **Genealogist's Address Book. 6th Edition** Elizabeth Petty Bentley,2009-02 This book is the answer to the
perennial question What s out there in the world of genealogy What organizations institutions special resources and websites
can help me Where do I write or phone or send e mail Once again Elizabeth Bentley s Address Book answers these questions
and more Now in its 6th edition The Genealogist s Address Book gives you access to all the key sources of genealogical
information providing names addresses phone numbers fax numbers e mail addresses websites names of contact persons and
other pertinent information for more than 27 000 organizations including libraries archives societies government agencies
vital records offices professional bodies publications research centers and special interest groups *Collecting Local*

History Bay Area Reference Center, 1977 **California Local History** Ethel Bluman, Mabel W. Thomas, 1950 *Archives and the Digital Library* William E. Landis, Robin L. Chandler, 2013-05-13 Technological advances and innovative perspectives constantly evolve the notion of what makes up a digital library Archives and the Digital Library provides an insightful snapshot of the current state of archiving in the digital realm Respected experts in library and information science present the latest research results and illuminating case studies to provide a comprehensive glimpse at the theory technological advances and unique approaches to digital information management as it now stands The book focuses on digitally reformatted surrogates of non digital textual and graphic materials from archival collections exploring the roles archivists can play in broadening the scope of digitization efforts through creatively developing policies procedures and tools to effectively manage digital content Many of the important advances in digitization of materials have little to do with the efforts of archivists Archives and the Digital Library concentrates specifically on the developments in the world of archives and the digitization of the unique content of information resources archivists deal with on a constant basis This resource reviews the current issues and challenges effective user assessment techniques various digital resources projects collaboration strategies and helpful best practices The book is extensively referenced and includes helpful illustrative figures Topics in Archives and the Digital Library include a case study of LSTA grant funded California Local History Digital Resources Project expanding the scope of traditional archival digitations projects beyond the limits of a single institution a case study of the California Cultures Project the top ten themes in usability issues case studies of usability studies focus groups interviews ethnographic studies and web log analysis developing a reciprocal partnership with a digital library the technical challenges in harvesting and managing Web archives metadata strategies to provide descriptive technical and preservation related information about archived Web sites long term preservation of digital materials building a trusted digital repository collaboration in developing and supporting the technical and organizational infrastructure for sustainability in both academic and state government the Archivists Toolkit software application Archives and the Digital Library is timely important reading for archivists librarians library administrators library information educators archival educators and students

 , **California Local History** Alta California Bookstore, 1970 The Directory of Museums & Living Displays Kenneth Hudson, Ann Nicholls, 1985-06-18 The Writing of Local History William Wilcox Robinson, 1960 **California local History** Margaret Miller Rocq, 1970 **Research in Local History** Abraham Phineas Nasatir, 1957 Oral History for the Local Historical Society Willa K. Baum, 1974 *History of Orange County, California* Samuel Armor, 1921 **Cyndi's List** Cyndi Howells, 2001 A two volume set which provides researchers with more than 70 000 links to every conceivable genealogical resource on the Internet
