

**CALIGULA**  
THE CORRUPTION  
OF POWER  
ANTHONY A. BARRETT

# Caligula The Corruption Of Power

**Jessica J Manson**

## **Caligula The Corruption Of Power:**

Caligula Anthony A. Barrett, 1989-01-01 Was the Roman emperor Caligula really the depraved despot of popular legend In this book the first major reassessment of Caligula s life and career in over fifty years Anthony A Barrett draws on archaeological numismatic and literary evidence to evaluate this infamous figure in the context of the system that gave him absolute power Authoritative highly readable Bernard Knox Atlantic Monthly An excellent study of the brief reign of Caligula Barrett is a highly competent historian and clear writer and the intrinsic interest of his subject is so great that the tougher kind of reader as well as the scholar will study this book with pleasure as well as with instruction Hugh Lloyd Jones New York Review of Books Barrett s Caligula fills a long standing void in providing a balanced thoroughly documented and persuasive assessment of Caligula s life and career This eminently readable book s value is further enhanced by the illustrations and by an appendix discussing Caligula s statuary and coinage It will prove a welcome addition to the library of anyone with interests in Roman history and culture Joseph J Hughes Classical World I do not think that any scholar interested in the Julio Claudian period or any classics or ancient history library could be without this book Very well written it should also be popular with the general public Colin M Wells

**Caligula** Anthony A. Barrett, 1989

**Caligula** Anthony Barrett, 1989

Seduction and Power Silke Knippschild, Marta Garcia Morcillo, 2013-10-10 Based on a conference held at the University of Bristol in September 2010

**Caligula** Anthony A. Barrett, 2015-03-05 The Roman Empire has always exercised a considerable fascination Among its numerous colourful personalities no emperor with the possible exception of Nero has attracted more popular attention than Caligula who has a reputation whether deserved or not as the quintessential mad and dangerous ruler The first edition of this book established itself as the standard study of Caligula It remains the only full length and detailed scholarly analysis in English of this emperor s reign and has been translated into a number of languages But the study of Classical antiquity is not a static phenomenon and scholars are engaged in a persistent quest to upgrade our knowledge and thinking about the ancient past In the thirty years since publication of the original Caligula there have been considerable scholarly advances in what we know about this emperor specifically and also about the general period in which he functioned while newly discovered inscriptions and major archaeological projects have necessitated a rethinking of many of our earlier conclusions about early imperial history This new edition constitutes a major revision and in places a major rewriting of the original text Maintaining the reader friendly structure and organisation of its predecessor it embodies the latest discoveries and the latest thinking seeking to make more lucid and comprehensible those aspects of the reign that are particularly daunting to the non specialist Like the original this revised Caligula is intended to satisfy the requirements of the scholarly community while appealing to a broad and general readership

Caligula Anthony A. Barrett, 2019-12-12 The Roman Empire has always exercised a considerable fascination Among its numerous

colourful personalities no emperor with the possible exception of Nero has attracted more popular attention than Caligula who has a reputation whether deserved or not as the quintessential mad and dangerous ruler The first edition of this book established itself as the standard study of Caligula It remains the only full length and detailed scholarly analysis in English of this emperor s reign and has been translated into a number of languages But the study of Classical antiquity is not a static phenomenon and scholars are engaged in a persistent quest to upgrade our knowledge and thinking about the ancient past In the thirty years since publication of the original Caligula there have been considerable scholarly advances in what we know about this emperor specifically and also about the general period in which he functioned while newly discovered inscriptions and major archaeological projects have necessitated a rethinking of many of our earlier conclusions about early imperial history This new edition constitutes a major revision and in places a major rewriting of the original text Maintaining the reader friendly structure and organisation of its predecessor it embodies the latest discoveries and the latest thinking seeking to make more lucid and comprehensible those aspects of the reign that are particularly daunting to the non specialist Like the original this revised Caligula is intended to satisfy the requirements of the scholarly community while appealing to a broad and general readership *A Brief History of the Private Lives of the Roman Emperors* Anthony Blond,2008 With the recent success of Rome on BBC2 no one will look at the private lives of the Roman Emperors again in the same light Anthony Blond s scandalous expose of the life of the Caesars is a must read for all interested in what really went on in ancient Rome Julius Caesar is usually presented as a glorious general when in fact he was an arrogant charmer and a swank Augustus was so conscious of his height that he put lifts in his sandals But they were nothing compared to Caligula Claudius and Nero This book is fascinating reading eye opening in its revelations and effortlessly entertaining **Lives of the Caesars** Anthony Barrett,2008-06-09 A comprehensive and engaging account of the lives of the Caesars who helped shaped one of the most significant periods in history this title includes notorious leaders such as Nero and Caligula as well as less famous ones like Diocletian and Vespasian **The Atlantic** ,1990 **Ploutarkhos** International Plutarch Society,1992 *Pathways to Power* A. D. Rizakēs,Francesco Camia,2008 **The Ancient World** ,2002 **The Journal of Christian Reconstruction** ,1994 The Sculptural Environment of the Roman Near East Yaron Z. Eliav,Elise A. Friedland,Sharon Herbert,2008 Public sculptures were the mass media of the Roman world They populated urban centers throughout the empire serving as a plastic language that communicated political religious and social messages This book brings together twenty eight experts who otherwise rarely convene text based scholars of the Greco Roman Jewish and Christian realms from the fields of classics history and religion and specialists in the artistic traditions of Greece and Rome as well as art historians and archaeologists Utilizing the full spectrum of ancient sources the book examines the multiple at times even contradictory meanings and functions that statues served within the complex world of the Roman Near East Moreover it situates the discussion of sculpture in the broader context of antiquity in order to reevaluate long held scholarly consensus on such ideas as the

essence of Hellenism the culture that emerged from the encounter of Greco Romans with the Near East and the everlasting conflict among paganism Christianity and Judaism *Jim Kobak's Kirkus Reviews*, 1991 **Cruelty and Death** Asko Timonen, 2000 **Terra Marique** John Pollini, 2005 In 1998 Anna Marguerite McCann received the Gold Medal of the Archaeological Institute of America for her distinguished archaeological achievements This volume includes the papers presented at a special colloquium held in her honour along with essays by other colleagues and friends The volume is divided into two thematic parts the first reflects Anna McCann s general interests in ancient art and archaeology especially Greek and Roman sculpture the other her specific expertise in underwater and port archaeology and technology **Encyclopedia of the Ancient World: Overviews, 'Abd al-Malik-Corinthian War**, 2002 Covers world cultures from prehistory through the year 700 C E including essays on persons cultures wars battles documents or works traditions or cultural phenomena structures or artifacts places or sites terms and groups or civilizations *Sketches and Reminiscences* Joshua Hilary Hudson, 1903
