Called to Preach Steven J. Lawson, 2022-02-15 In every generation the church stands in dire need of God called people to preach the Word with precision and power Preachers who will not replace sound theology with culturally palatable soundbites Preachers who will clearly and faithfully share the gospel and inspire those in their churches to live godly lives Through in depth biblical analysis and inspiring examples from church history Steven J Lawson paints a picture of God's glory magnified through faithful preaching reclaiming the high ground of biblical preaching for the next generation With helpful advice and practical guidance gleaned from 50 years in ministry Lawson helps aspiring preachers know if they are called to preach understand the qualifications for ministry and develop improve and deliver strong expository sermons that illuminate the Word of God in a dark world

The Calling from God Lowell Hardy, 2016-01-30 The Calling from God shares an in depth analysis of various callings to individuals to preach from a Biblical standpoint It comes in unique ways for each individual So the exact nature of the calling from God is difficult at best to describe for it does not lend itself to any private interpretation especially to someone not privy to the calling Within the text the reader will learn about the struggles of various people with God and within themselves All experiences are coercing demanding and cajoling for sure However the one called has to determine within oneself what God's will is for him herself The Calling from God will serve as a guide to those seeking answers about their possible destiny The book takes the approach that many are called only a few answers because of uncertainty The book will help one decide what to do based on their life changing experiences with the power of the Lord Jesus Christ The ones called must make sure of their calling for there is much to do for the harvest is great This book shows in detail some of the preparation needed as one grows in service to the calling from God All Christians are called by God the Father to be witnesses of His resurrection power by grace through faith in the Lord Jesus Christ For sure a call in any form lays a heavenly claim upon the one called This book helps one understand the calling from God and will help one to reach a sound decision based on their life and experiences in comparison to selected Biblical callings The Calling from God will serve a reference manual and a valuable source of information for anyone thinking about answering or has answered the call from God The decision to serve is very personal as you will learn from the book The Calling from God and the many Biblical If you are struggling with the decision to serve or not to serve this book is for you Many are called only few are chosen You will know after reading The Call from God if you one of the few chosen to serve and trust God's wisdom in leading you to point others to the Uplifted Christ Will you answer the call from God The alternative is to wrestle with the Spirit as conviction works slowly and agonizingly in the soul This book
