Callies Heart:

Callie's Treasures JB Price, 2014-06-16 Most agree that the universal cry of every human heart is Love What if that hunger has its origin in our Creator What if that need has been programmed into our spiritual DNA What if God is the Love we yearn for What if a relationship with Him is the key to our deep seated longing What if intimacy with Him is a clue to our passionate desires What if we are not only loved but treasured Would such knowledge make a difference Callie David and Jesse encounter those questions in their personal searches for love and intimacy Will the culture of their day the cries of their own flesh and the frustrations of living in a less than perfect world blind them to the treasures hidden in surprising places Or will they discover the truth of Solomon 6 3 I am my Beloveds and my Beloved is mine Though each journey is different ultimately they individually face the same choice And their responses make all the difference Callie Maddie

James, 2017-01-15 When Callie McKenna s New York future collides head on with her Montana past she is faced with making a life altering decision Callie McKenna is going home Her father has suffered a fall from his horse and she is needed back at the ranch She temporarily leaves New York and her promotion behind to be with her family in Montana planning only to stay until her father is well again What she doesn t expect is to rekindle an old relationship with ranch hand Murphy Reynolds Nothing goes according to plan Callie must face her past to not only mend some family fences but to figure out what is happening between her and Murphy She knows the choices she makes now will shape her future But will that future be with Murphy and her family on the ranch or will it be back in New York where her promotion waits along with that quaint little brownstone she adores Munsey's Magazine for ... , 1909 *Callie's Mountain* Veda Boyd Jones, 2005-07 Callie s mountain Callie s challenge An Ozark Christmas angel *Munsey's Magazine* , 1910 **Boscobel** Emma Mersereau Newton, 1881
