Remember to Remember: the Mayan Mysteries Carol E. Parrish-Harra Ph. D.,2011-10-28 Compilation and Insights Remember to Remember The Mayan Mysteries As told by a wisdom Teacher Awakening to Mythological thinking is difficult any time but to depart from institutional thinking and enter into the world of intuitive awareness is the opportunity of today This compilation and personal Insights to the Mayan Prophecies brings a new comprehension in Remember to Remember The Lost Mysteries as the known and unknown carry us toward a new height of understanding When one approaches the Maya Mysteries as parables and legends as well as calendars and mathematics a new doorway opens Beginning with the lost worlds of Lemuria and Atlantis we find ourselves caught up in the story of an empire that has left its impact An adventure awaits true but this glimpse of a future more creative and hopeful takes us to the wonders of a world unknown From a false belief of envisioning our native forefathers and mothers as primitive natives we gain an awesome recognition of the wonders of encoded hieroglyphs we move into respect and understanding through parables legends and oral teachings A major aspect of the authors perspective is to integrate the contribution of the Maya with other wisdom traditions Many of the lingering myths of questionable ideas are clearly included in the mythology of these people Terms avoided in the rational and intellectual community rest in the psyche of all America and as we stir these ideas come alive The goal of evolution is presented clearly in the unfolding of these long secreted concepts such as sky people hollow earth theory and others From spirit space to science religion we get an amazing understanding of what is in store for humanity at the close of the Ninth Hell Has Humanity achieved it goal or has it missed the mark *Calling Humanity: A Cosmic event is taking place* José

Trigueirinho,2017-12-01 A call comes from distant constellations and the planet's Hierarchies Humans are to become one with their rightful cosmic heritage The Earth is taking a unique step in its evolution Humanity is now undergoing unimaginable changes In Calling Humanity we can learn about planetary centers new human etheric centers choices that make a difference for humanity's future

Spiritual Insights for Daily Living José Trigueirinho Netto,2022-10 Jos Trigueirinho Netto is widely regarded as one of the most important and prolific spiritual instructors of the 20th century with over 80 books published in Portuguese and Spanish as well as in four other languages In addition to his books and recordings of his over 3 000 lectures he is the founder of spiritual communities on three continents the co founder of a monastic order and the inspiration for an international humanitarian effort that has brought dignity comfort and support to refugees in more than 15 countries Despite these monumental achievements his work is mostly unknown in North America The purpose of this book therefore is to introduce his work to an English speaking audience and to call attention to the wide range of topics he addressed ranging from the ecological crisis and the collective karma accrued from committing social injustices to the goal of personal transformation providing support to others in times of crisis and healing our relationship to the animal vegetable and mineral kingdoms His work is vast and addresses topics rarely discussed by spiritual teachers and spiritual systems topics of contemporary importance and guidance for living a life devoted to spirituality and self transformation while living in the world in service of others A brief perusal of the table of contents will provide evidence of the breath of his work and the insight he offers into difficult and or contemporary issues including global warming mercy family life healing the correct use of money faith the feminine polarity and spiritual service as well as important themes relating to spiritual transformation such as the need for silence meditation prayer impersonality detachment spiritual and planetary evolution purification and more His work reveals a deeper comprehension of the significance of the Kingdoms of Nature on our planet and our relationship to them the spiritual task of the human being its place in the universe and also its responsibility before Creation Finally he clarifies the reasons for the crisis that today is devastating humanity teaching us how to avoid reacting negatively to an immanent natural catastrophe by contacting more subtle levels of consciousness and opening perspectives for the beginning of a more luminous cycle for our race We therefore invite you to enter into these teachings and to see if they are of benefit to you as they have been to hundreds of thousands of spiritual seekers world wide
