Calvinism, Pure & Mixed ,1893 [Does God Love All or Some?](#) Ronnie W. Rogers,2019-04-19 The term extensivism describes my position regarding the doctrine of salvation Specifically extensivism believes that man was created in the image of God with otherwise choice God s salvation plan involves an all inclusive unconditional offer of salvation to every person reception of which is conditioned upon grace enabled faith rather than Calvinism s exclusive plan of a limited actual offer of salvation to only the unconditionally elected Generally it replaces the term non Calvinism These are the five primary objectives of the book First my considerations would result in a deeper understanding of God Second I will demonstrate that God salvationally loves every single person Third I intend to offer a precise and respectful critique of Calvinism s internal and biblical inconsistencies these are largely due to its commitment to compatibilism and unconditional election Fourth I will demonstrate that God s free choice to endow man with libertarian freedom is a more biblical perspective Fifth because a significant percentage of people who become Calvinists do not actually understand Calvinism I seek to present Calvinism and extensivism in language that is precisely and consistently reflective of the commitments of each perspective regarding God s sovereignty salvific love foreknowledge and man s freedom this so a person can make an informed choice about Calvinism

Geneva's Use of Lies, Deceit, and Subterfuge, 1536-1563 Jon Balsarak,2024-09-17 This study examines the ethical character of John Calvin and his Genevan colleagues evangelizing of France It reveals that Calvin s plans for proselytizing his homeland involved lying deception and obfuscation which were employed as a means of evading detection by the French authorities Balsarak considers important questions about the relationship between godliness and cunning about Calvin s manufacturing of his image and about the lengths to which he and his colleagues went to spread their gospel

Divine Generosity Richard J. Mouw,2024-02-29 A brief accessible inquiry into the wideness of God s mercy in Reformed theology How broad is the scope of salvation To explore this topic Richard J Mouw draws on Scripture and a rich heritage of Calvinist theology Mouw brings voices like the old Princeton theologians Kuyper and Bavinck into conversation with more recent voices such as David Engelsma on pertinent topics including The salvation of unbaptized infants God s wrath and love for sinners Problems with

universalism The number of the elect Learned yet approachable Mouw explains how Christians can affirm God's justice while holding hope for the wideness of his saving mercy Congregations today face pressing questions about how to reconcile orthodoxy with empathy in increasingly pluralist neighborhoods and communities For Reformed pastors students and interested laypeople *Divine Generosity* serves as a biblically based doctrinally sound guide *Systematic Theology* Louis Berkhof, 2017-02-17 Considered one of the best books on Systematic Theology ever written it covers all the basics on the reality of God the atonement of Christ and the final state of man and the last things Anyone that wishes to study theology would be wise to read this book as many in the Reformed tradition hold that this book is a landmark book in its field
