Call The Darkness Down:

A Collection of Hymns, for the Use of the People Called Methodists John Wesley,1876 **The Message of the Rainsnow** J. Rainsnow,2002-02-05 THE MESSAGE OF RAINSNOW a book which stands by itself is the inspirational and practical sequel to THE JOURNEY OF RAINSNOW While the first book presented an esoteric chronicle filled with insights for our times THE MESSAGE OF RAINSNOW crystallizes the unfolding consciousness of THE JOURNEY into a pragmatic blueprint for achieving global transformation As many other books it upholds the values of community spirituality and respect for nature seeing in these elements the pillars of our collective salvation Unlike other books however this one seeks not only to promote these invaluable ideals but to build a concrete bridge from where we are now to where we must go to the new world of the future in which these cherished but distant ideals will finally become reality Most importantly of all THE MESSAGE OF RAINSNOW seeks to awaken and to create the living people who will become the embodiment of these indispensable ideals the advanced guard of our world s march to life It is a journey and a privilege which begins by reading this book
