Callahans Legacy:

Callahan's Legacy Spider Robinson, 1997-09-15 For years Callahan's was the place where friends met to have a few drinks tell a few jokes and occasionally save the world Until that unfortunate incident with the nuke a few years ago But Jake Stonebender and his wife have opened a new Callahan's Mary's Place and all the regulars are there Doc Webster Fast Eddie the piano player Long Drink McGonnigle and of course the usual talking dogs alcoholic vampires aliens and time travelers Songs will be sung drinks will be drunk and drunks will have drinks puns will be swapped and as a three eyed three legged three armed three everythinged alien flashes through space toward the bar it just might be time to save the world again

Callahan's Con Spider Robinson, 2004-06-14 The discreet little bar that Jake Stonebender established a few blocks below Duval Street was named simply The Place There Fast Eddie Costigan learned to curse back at parrots as he played the house piano the Reverend Tom Hauptman learned to tend bar bare chested without blushing Long Drink McGonnigle discovered the margarita and several se oritas and all the other regulars settled into comfortable subtropical niches of their own Nobody even noticed them save the universe Over time the twice transplanted patrons of Callahan's Place attracted a collection of local zanies so quintessentially Key West pixilated that they made the New York originals seem well almost normal The elfin little Key deer for instance with a stevedore's mouth or the merman with eczema or Robert Heinlein's teleporting cat For ten slow merry years life was good The sun shone the coffee dripped the breeze blew just strongly enough to dissipate the smell of the puns and little supergenius Erin grew to the verge of adolescence Then disaster struck Through the gate one sunny day came a malevolent moronic mastodon of a Mafioso named Tony Donuts Jr or Little Nuts don't ask He'd decided to resurrect the classic protection racket in Key West and guess which tavern he picked to hit first Then thanks to very poor accessorizing she chose the wrong belt and now we're not going to explain that one Jake's wife Zoey suddenly found herself in a place with no light no heat and no air And no way home The urgent question was where precisely where but that turned out to be a problem so complex that even the entire gang equipped with teleportation time travel and telepathic syntony you can look it up might not be able to crack it in time And while all this was going on Death himself walked into The Place But this time he would not leave alone

Off the Wall at Callahan's Spider Robinson, 2004-08 All the best lines from the Saloon at the far out edge of space time Off the Wall at Callahan's is a collection of epigrams maxims proverbs observations eye watering puns and original song lyrics distilled from the first five volumes of the Callahan's Place series from Callahan's Crosstime Saloon to Lady Slings the Booze After the original Callahan's Place was destroyed all of these gems were painstakingly deciphered from blown up old photos of the wall behind the bar where Callahan let his customers scrawl graffiti in place of the usual mirror So technically every word is off the wall Further ennobled by numerous interior B W illustrations by Phil Foglio there are even capsule bios at the end for every person real or imaginary quoted in the graffiti section Welcome to Callahan's Crosstime Saloon There's no place like it in this or any other universe *The Odyssey of*

Texas Ranger James Callahan Joseph Luther, 2017-04-17 James Callahan entered Texas armed a quixotic young man enlisted in the Georgia Battalion for the cause of independence He barely survived the 1836 Battle of Refugio and the Goliad Massacre Undaunted by the perils of his adopted home he remained in the line of fire for the next twenty one years fighting to protect Texas settlers from Apaches Comanches Seminoles Kickapoos outlaws mavericks and the Mexican army As a Texas Ranger he rode with the legendary men of Seguin and San Antonio In 1855 he commanded the punitive expedition into Mexico that bears his name a fiasco that has been shrouded by mystery and shadowed by controversy ever since In this first ever biography Joseph Luther traces the tragic course of the wayfarer who crossed so much of the Texas frontier and created so much of its story
