**Calley, Soldier Or Killer?** Tom Tiede,1971      **The My Lai Massacre in American History and Memory** Kendrick Oliver,2006 This book examines the response of American society to the My Lai massacre and its ambiguous place in American national memory The author argues that the massacre revelations left many Americans untroubled It was only when the soldiers most immediately responsible came to be tried that opposition to the conflict grew for these prosecutions were regarded by supporters of the war as evidence that the national leaders no longer had the will to do what was necessary to win      *Ethical Arguments for Analysis* Robert Baum,1976      **Congressional Record** United States. Congress,1971 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      The New York Times Encyclopedic Almanac CBS News,1971      **The Top of the News with Fulton Lewis III.** ,1971      *The New York Times Index* ,1971      Editorials on File ,1971      **American Book Publishing Record** ,1971      *Values Americans Live by* ,1978      **Inquiry** G.
