Calvin's New Testament Commentaries:

Calvin's New Testament Commentaries, 1993-01-01 Parker expounds upon Calvin's principles of interpretation taking into consideration early 16th century hermeneutics and giving special emphasis to the reformers Melancthon Bucer and Bullinger Extensive bibliographies of Calvin's commentaries are included as well as relevant Greek and Latin Bibles and classical patristic medieval and renaissance works Calvin's New Testament Commentaries John Calvin, *Calvin's New Testament Commentaries* John Calvin, 1995-11 This is a print on demand book and is therefore non returnable This volume is one of twelve classic commentaries by John Calvin theologian par excellence of the Reformation whose expositions of Scripture remain as relevant as ever Edited by David W Torrance and Thomas F Torrance these twelve commentaries on the New Testament bring Calvin's authoritative voice to life in clear contemporary English The translations all strive to retain the close coherence of Calvin's ideas and characteristic images while remaining faithful to the Latin text doing full justice to the Reformer's qualities as one of history's finest expositors of the Word of God **Calvin's New Testament Commentaries** Thomas Henry Louis Parker, 1971 John 1-10 John Calvin, 1995 This volume contains commentary on the Gospel of John chapters 1-10 These classic commentaries by Calvin laid the basis for later scholarly exegesis of the Bible The commentary is verse by verse with anywhere from a paragraph to a whole page of commentary per verse This is a completely new translation into modern English of Calvin's Commentaries on the New Testament Calvin's New Testament Commentaries, 19?? **John Calvin's Bible Commentaries On The Harmony Of The Gospels Vol. 1** John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation Our Author has exerted a powerful influence on all succeeding expositors They have found their interest in listening to his instructions and have been more deeply indebted to him than is generally known Many valuable interpretations of passages of Scripture appeared for the first time in his writings and have ever since been warmly approved In other cases the views which had been previously held are placed by him in so strong a light as to remove every doubt and satisfy the most cautious inquiry And yet the stores from which so much has been drawn are far from being exhausted nor is their value greatly lowered by improvements which have been subsequently made The department of History presents an analogous case Documents which had been overlooked are carefully examined Conflicting evidence is more accurately weighed Important transactions assume a new aspect or at least are altered in their subordinate details Still there are historians in whose narrative the great lines of truth are so powerfully drawn that the feebler though more exact delineations of other men cannot supply their place In the chief moral requisite for such a work Calvin is excelled by none He is an honest interpreter No consideration would have induced him to wrest the words of Scripture from their plain meaning Those who may question his conclusions cannot trace them to an unworthy motive Timid theologians will be occasionally startled by his

expositions **Calvin's New Testament Commentaries: The Acts of the Apostles, 1-13** Jean Calvin,1994 *Calvin's New Testament Commentaries* David Wishart Torrance,Thomas Forsyth Torrance,1960 *John Calvin's Bible Commentaries On The Harmony Of The Law Vol. 1* John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation This edition is volume one out of four of Calvin s commentaries on the four last books of Moses arranged in the form of a harmony **Calvin's New Testament Commentaries** Jean Calvin,1959 *Calvin's Old Testament Commentaries* Thomas Henry Louis Parker,1993-01-01 Calvin has always been regarded as one of the greatest biblical commentators in the history of the church This complete study of his Old Testament expositions includes both written commentaries and lectures transcribed verbatim Full of insights and exacting details as well as being eminently readable Calvin Theological Journal **Calvin's Complete Commentary on the Bible** Calvin, John, All 46 of the original volumes are included in this one volume There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index leading to the particular subject John Calvin is considered as the first truly great scholar of the Reformation Indeed he has even been seen by some to be one of history s greatest Christian biblical scholars He had an incredible command of the Bible and his interpretations were not based on just one or two passages He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures However some of his views on the prophetic interpretation such as in the book of Daniel are controversial He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel 530 BC and Jesus first coming 30 AD Nevertheless John Calvin was a force to be reckoned with and is considered to have a unique insight which enabled him to find the true meaning of the Bible Dutch theologian Jacobus Arminius after whom the anti Calvinistic movement Arminianism was named states that Next to the study of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s Commentaries which I extol in loftier terms than Helmich himself a Dutch divine 1551 1608 for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent spirit of prophecy His Institutes ought to be studied after the Heidelberg Catechism as containing a fuller explanation but with discrimination like the writings of all men During his life Calvin produced commentaries on 48 books of the Bible a total of 45 published volumes He intended to put out a complete commentary of the Bible but his death prevented this The books of Judges Ruth 1 2 Samuel 1 2 Kings 1 2 Chronicles Ezra Nehemiah Esther Job Proverbs Ecclesiastes Song of Solomon 2 3 John and Revelation were unfortunately not completed He did however write a two volume commentary of the Harmony of the

Gospels Matthew Mark and Luke as well as a separate commentary for the gospel of John Likewise he also wrote a two volume series on the Harmony of the Law Exodus Leviticus Numbers and Deuteronomy Calvin s own exegesis of the original text allowed him to bring out a unique and pleasing interpretation He begins each section of scripture with his own translation of the text and then further expounds upon it point by point making it an excellent resource for ministers and teachers alike After more than 400 years Calvin s commentaries are still a relevant and essential tool for Christians

John Calvin's Bible Commentaries On The Gospel Of John, 12-21 John Calvin, Calvin produced commentaries on most of the books of the Bible His commentaries cover the larger part of the Old Testament and all of the new excepting Second and Third John and the Apocalypse His commentaries and lectures stand in the front rank of Biblical interpretation Commentaries On The Gospel Of John are numerous and some of them are written with great learning and ability Rarely has a separate and extended interpretation been given to any of the other three Gospels which are indeed so closely interwoven with each other that it is scarcely possible to expound one of them in a satisfactory manner without bringing the whole into one view comparing parallel passages accounting for apparent contradictions and supplying the omissions of each narrative to such an extent as to produce what shall be in substance though not always in form a HARMONY OF THE THREE EVANGELISTS The present Work brings under review some of the most intricate questions in theology and in handling them he is not more careful to learn all that has been revealed than to avoid unauthorized speculation They who know the difficulty of the path will the more highly appreciate so skillful a guide who advances with a firm step points out the bypaths which have misled the unwary conducts us to scenes which we had not previously explored and aids us in listening to a Divine voice which says This is the way walk ye in it This edition contains the commentaries on John 1 11
