

A dirt path leads from the bottom center towards a horizon where the sun is setting. The sky is filled with soft, orange and pink clouds. On either side of the path, there are green grassy fields and wooden fences. The overall mood is peaceful and contemplative.

The spiritual quest is a journey without distance. You travel from where you are right now to where you have always been. From ignorance to recognition, for all you do is see for the first time what you have always been looking at. Who ever heard of a path that brings you to yourself or a method that makes you what you have always been? Spirituality, after all, is only a matter of becoming what you really are.
