Knopf Martin Lund Jordan Newton Stefan Rabitsch Maryanne Rhettt and Philip Smith History has always been a matter of arranging evidence into a narrative but the public debate over the meanings we attach to a given history can seem particularly acute in our current age Like all artistic mediums comics possess the power to mold history into shapes that serve its prospective audience and creator both It makes sense then that history no stranger to the creation of hagiographies particularly in the service of nationalism and other political ideologies is so easily summoned to the panelled page Comics like statues museums and other vehicles for historical narrative make both monsters and heroes of men while fueling combative beliefs in personal versions of United States history **Drawing the Past Volume 1 Comics and the Historical Imagination in the United States** the first book in a two volume series provides a map of current approaches to comics and their engagement with historical representation The first section of the book on history and form explores the existence shape and influence of comics as a medium The second section concerns the question of trauma understood both as individual traumas that can shape the relationship between the narrator and object and historical traumas that invite a reassessment of existing social economic and cultural assumptions The final section on mythic histories delves into ways in which comics add to the mythology of the US Together both volumes bring together a range of different approaches to diverse material and feature remarkable scholars from all over the world **Now We are At War** Dag Heward-Mills, 2025-08-27 Always remember that we are at war RESIST You cannot afford to be passive when your enemy is fighting you Don't just lie down and let the enemy walk all over you Resist the devil Fight back Acquire a reputation in the devil's camp as someone who resists attacks and invasions Your defence must be a fierce attack on the enemy In this amazingly energising book best selling author of *Loyalty and Disloyalty* and *A Good General* calls Christians to rise up and turn the tables on the enemy Make the devil regret ever calling you to battle Now we are at WAR **Heroes of Aviation** Laurence La Tourette Driggs, 1918 Written and published prior the Preface is dated September 24 1918 to the end of the Great War now known as World War I the author describes the advent of aerial warfare and gives a contemporaneous account of those aviators engaged in the conflict **The Operations of War Explained and Illustrated** Edward Bruce Hamley, 1909 *The Operations of War Explained and Illustrated* Sir Edward Bruce Hamley, 1878 **The Olden Time**, 1876 *The Life, Public Services and Select Speeches of Rutherford B.
