Mountain of Purgatory and climb the seven terraces which correspond to the seven deadly sins The culmination of this journey is the Garden of Eden beyond which Virgil cannot go because as a pagan he is a permanent resident of Limbo the first circle of Hell Beatrice fashioned from a woman Dante loved and lost becomes Dante's second guide She steers him through the nine spheres of Heaven from where Dante reaches a place beyond physical existence and comes face to face with God who grants him comprehension of the Divine and human nature When we look deeper into the journey we see a complex analysis of the progress of each individual soul toward God and mankind's progress toward peace on earth
