Culture, Performance, and Challenges** Raj, Ambika Gopal,2021-11-12 In every era global progressive thinkers have used
creativity as a means for cultural reformation and social justice in response to oppressive regimes For example theater
cartoons social art film and other forms of representative arts have always been used as critical instigation to create agency
or critical commentary on current affairs In the education sector teachers in schools often say one of two things they are not
creative or that they don t have the time to be creative given the curricular demands and administrative mandates that they
are required to follow Each day educators are working to find exceptionally creative ways to engage their students with
limited resources and supplies and this becomes even more of a challenge during turbulent times Creativity as Progressive
