stew **The Insiders' Guide to Becoming a Yacht Stewardess** Julie Perry,2006-10-01 Part how to guide part memoir this book not only tells you exactly how to get hired as a yacht stewardess it also reveals what life is really like on the high seas among the rich and famous **The New Crew's Pocketbook** Tim Davison,2021-06-08 Going aboard a sailing yacht for the first time is an exciting experience but it can be a bit daunting It introduces you to many unknowns terra firma is left behind the boat is propelled by something you can t see the wind there are ropes everywhere and a whole new vocabulary opens up Your skipper will brief you on the key things you need to know but this book is a great opportunity to learn a bit beforehand which will give you the basic knowledge to work the boat be safe have fun and be asked back for more Written in a friendly and approachable way it assumes no nautical knowledge and uses diagrams and photographs to demystify the art of sailing Devised to be read by new crew before they arrive at the boat it is also great to keep on board as a quick and easy reference guide Ideal for skippers to give to anyone joining them on board for the first time As soon as a person steps aboard they are crewing drawn into casting off hoisting sails winching and even steering It s impossible to cover everything in your briefing so any knowledge they can gain beforehand is a blessing and will make your yacht a happier safer place for everyone Additional chapters covering spinnaker handling are available online and in the eBook *The Hitchiker's Guide to the Oceans* Alison Muir Bennett,2013-08-22 What better way of travelling the world than by crewing on a yacht The Hitchiker s Guide to the Oceans is ideal for crew pre planning and for skippers seeking crew It is packed with practical information from how to find a crew position what to expect from different kinds of skipper how to be in the right place at the right time where the yachts gather and when to rally locations how to maximise your chances of being taken on as crew what will be expected of you as crew and job opportunities along the way Unique yacht migration maps show where the seasonal bottlenecks occur and help pinpoint the best places and times of year to gain a crew place This sixth edition with fully updated information and website addresses as well as a new colour section will be welcomed by all aspiring yacht crew and also as a skipper s reference Packed with all the information you d need to find a crewing position an invaluable guide to crewing anywhere in the world Yachting Monthly Valuable for the first timer and useful for skippers and their potential crew Classic Boat *Superyacht CREW Basics* Marcela de Kern Royer de Kern Royer (author),1901 **The Care and Feeding of the Sailing Crew** Lin Pardey,Larry Pardey,2006 Since it was first published in 1980 The Care and Feeding of Sailing Crew has become the preferred resource for cruising sailors whether they re planning a weekend afloat or a round the world voyage Two circumnavigations and 185 000 miles of voyaging have given Lin and Larry Pardey an ideal vantage point for sharing useful information on all aspects of preparing for an enjoyable life aboard This unique volume covers everything from outfitting a galley to organizing meals safely in rough weather from controlling seasickness to creating the right conditions for a well rested crew Filled with useful recipes and guide lines for provisioning for a first voyage or reprovisioning along the way it is useful for both neophytes and experienced voyagers Even those unlikely to cross oceans will be intrigued by the

sailing stories used to make this an amazingly readable book The completely revised and expanded third Edition includes new information on nutrition on waste disposal on entertaining afloat and on the current ways to handle finances officialdom and the paperwork of cruising to foreign destinations Learning the Rule of the Road Basil Mosenthal,2009-11-03 This guide clearly and simply explains the International Regulations for Preventing Collisions at Sea looking particularly at those sections affecting small craft Ideal for beginners or as an aide memoire for those with more experience Super Yacht Secrets Lord Luke Hammond,2023-05-21 Estimates were that for 2 500 Luxury Yachts we need 25 000 professional crew to maintain them this was data I had uncovered back in 2009 By August of 2016 reports showed that we had over 10 000 yachts of 100ft or larger with over 150 launching each year With the industry spread out across the globe and such relatively low numbers of yachts you can understand why it s such a niche Now these numbers are growing rapidly which means a couple of things the once almost unknown world of yachting is now more public and there is now more competition for work On entering this little lifestyle career you will experience a range of bittersweet emotions This industry is like living in a bubble riding the coat tails of the world s 1%ers travelling to exotic destinations all the while being paid for the experience The dark side of this experience is the months or years away from friends family long hours and sometimes weeks without a day off Most crew last an average of 2 3 years in the industry before moving back to their old life of land based living It s not a job for everyone but even if you don t make it all the way to the top of the food chain who s to say it wasn t an awesome ride along the way Even if you did get the odd bout of sea sickness If I tried to sugar coat this industry I would be doing you an injustice Think of this book as a survival or how to guide for Yachting With this knowledge you will have the power to ask the right questions and make the right decisions One thing I can tell you for sure your experiences from working on the water will forever change your life and if you do end up reading all of this book i m going to be super excited to hear from you about your journey If I can give any information back to people willing to start in our industry it s going to be Welcome You are in for one helluva ride
