Wadhwaney,2002 A reference book on the Arjuna awardees includes short biographical notes **Indian Books in Print** ,2003 **Indian Cricket and Corruption** Kishin R. Wadhwaney,2005 *Yangtze Patrol* Kemp Tolley,2013-03-22 In this entertaining history of the Yangtze Patrol Tolley gives a lively presentation of the Chinese political situation over the past century and describes the bombing of the Panay the siege of Shanghai the battle of Wanhsien and the Nanking incident He also offers a liberal serving of colorful anecdotes and numerous period photographs *Nation at Play* Ronojoy Sen,2015-10-27 Reaching as far back as ancient times Ronojoy Sen pairs a novel history of India s engagement with sport and a probing analysis of its cultural and political development under monarchy and colonialism and as an independent nation Some sports that originated in India have fallen out of favor while others such as cricket have been adopted and made wholly India s own Sen s innovative project casts sport less as a natural expression of human competition than as an instructive practice reflecting a unique play with power morality aesthetics identity and money Sen follows the transformation of sport from an elite kingly pastime to a national obsession tied to colonialism nationalism and free market liberalization He pays special attention to two modern phenomena the dominance of cricket in the Indian consciousness and the chronic failure of a billion strong nation to compete successfully in international sporting competitions such as the Olympics Innovatively incorporating examples from popular media and other unconventional sources Sen not only captures the political nature of sport in India but also reveals the patterns of patronage clientage and institutionalization that have bound this diverse nation together for centuries **Shooting and Fishing** ,1906 *Focus On: 100 Most Popular Nonlinear Narrative Films* Wikipedia contributors, Ian Botham Simon Wilde,2011-04-14 Ian Botham arrived on the international scene just in time to ride sport s first big financial wave and exploit the Thatcherite mantra of go out and get what you want He certainly needed the cash having been regularly short since leaving state school in Yeovil at 15 In an era short on glamour and personalities Botham brought an irresistible cocktail of talent energy and swagger With the stench of economic failure still in the air he made the country feel good about itself again He showed that Britain could still produce champions and that the working class still deserved to be valued For this he won himself a fund of public goodwill a fund he sometimes threatened to drain but uncannily managed to replenish Before Botham many saw cricket as a very staid very boring game He played it with an irreverent dash that stuck up two fingers at the cricket Establishment He wore striped blazers and strange hats sported long hair and droopy moustaches He got into trouble over punch ups drugs and girls He was even banned from playing at one point But all this would have meant little had he not been able to keep on achieving remarkable things as he did with impeccable timing and implausible frequency He had an insatiable appetite and an uncanny knack for

creating tales of heroism but if he failed on that score there was always the chance of a scandal or two He gave the media everything they needed for front pages and back and some newspapers discovered that it didn't necessarily matter if the story was true or not as long as he was in it Ian Botham tells the story a great piece of British sporting history one of the greatest of a man for whom the glamour and the grit came together And it was the grit of the times in which Botham had grown up and the grit of the where he had come from The Pioneer Mail and Indian Weekly News ,1921 Illustrated Sporting & Dramatic News ,1908 *Baily's Magazine of Sports and Pastimes* ,1915 *Official Gazette Sabah*,1927 *United Services and Empire Review* ,1927 **Morrow's Word-finder** Paul Desdemaines Hugon,1927 Town Journal ,1923 The Royal Engineers Journal ,1930 *Outers' Book-recreation* ,1923
