## **Crime Control And Community:**

**Travels Through Crime and Place** William DeLeon-Granados,1999 An absorbing account of efforts across the nation to build communities and discourage crime

**Crime Control and Community** Gordon Hughes,Adam Edwards,2013-01-10 Community based crime control has become one of the principal policy responses to crime and disorder across western societies and is regarded now as one of the keys to successful crime prevention and reduction The aim of this book is to bring together findings from case studies of community based crime control in England as a means of examining the prospects for this approach its evolving relationship with criminal justice and social policies and to assess the lessons internationally that can be drawn from this in the theory research methods politics and practice of crime control At the same time the book advances an important new conceptual framework for understanding community based crime control focusing on an understanding of the diversity of control and preventative strategies the locally particular conditions in which they are conducted and the degree of choices open to local political actors involved in their conduct Understanding diversity in this way is central to drawing lessons about the transferability of crime control theory and practice from one social context to another avoiding the naive emulation of practices in different contexts

**Community Crime Prevention** Dennis P. Rosenbaum,1986 Do citizen and police initiatives have any impact on the incidence and fear of crime This volume brings together studies undertaken by well respected criminal justice scholars of some community crime prevention programmes that were introduced in several major US cities The volume is unique in its breadth of focus its contributors address a broad and varied audience including practitioners policy makers and scholars interested in community crime prevention and evaluation research They present detailed descriptions of the intervention the evaluation of the intervention and the issues surrounding both Other topics discussed include the process of encouraging and organizing citizen involvement the setting of programme goals and useful forms of assessment Community Crime Prevention promises to stimulate much further discussion research and policy analysis

**Inner-city Crime Control** Anne Thomas Sulton,1989 The proceedings of the National Symposium on Community Institutions and Inner City Crime are described in this report 18 success story projects are discussed

**Crime Control and Community** Gordon Hughes,Adam Edwards,2013-01-10 The aim of this book is to bring together findings from case studies of community based crime control in England as a means of examining the prospects for this approach its evolving relationship with criminal justice and social policies to assess the lessons internationally that can be drawn from this in the theory research methods politics and practice of crime control and to present an important new conceptual framework for understanding community based crime control

**Neighborhoods and Crime** Bursik,1999-12-31 *Citizens, Community and Crime Control* K. Bullock,2014-08-15 Analysing the historical circumstances and theoretical sources that have generated ideas about citizen and community participation in crime control this book examines the various ideals outcomes and effects that citizen participation has been held to stimulate and how

these have been transformed renegotiated and reinvigorated over time      *Community Justice* John R. Hamilton Jr., Todd R. Clear, John R Hamilton, Jr., Eric Cadora, 2010-12-08 This formative text discusses concepts of community within the context of justice policy and programs and addresses the important relationship between the criminal justice system and the community in the USA The book provides detailed analysis of how community justice fits within each area of the criminal justice system and exemplifies this through the use of relevant case studies      **Innovations in Community-Based Crime Prevention**

Robert J. Stokes, Charlotte Gill, 2020-07-30 This book explores multi year community based crime prevention initiatives in the United States from their design and implementation through 5 year follow ups It provides an overview of programs of various sizes affecting diverse communities from urban to rural environments larger and smaller populations with a range of site specific problems The research is based on a United States federally funded program called the Byrne Criminal Justice Initiative BJCI which began in 2012 and has funded programs in 65 communities across 28 states and 61 cities This book serves to document the process challenges and lessons learned from the design and implementation of this innovative program It covers researcher practitioner partnerships crime prevention planning processes programming implementation and issues related to sustainability of community policing initiatives that transcend institutional barriers and leadership turnover Through researcher partnerships at each site it provides a rich dataset for understanding and comparing the social and economic problems that contribute to criminality as well as the conditions where prosocial behavior and collective efficacy thrive It also examines the future of this federally funded program going forward in a new Presidential administration This work will be of interest to researchers in criminology and criminal justice particularly with an interest in translational applied criminology and crime prevention as well as related fields such as public policy urban planning and sociology      *Community Policing* Michael Palmiotto, 2011-02 This textbook discusses the role of community oriented policing including the police image public expectations ethics in law enforcement community wellness civilian review boards and what the community can do to help decrease crime rates In addition the author covers basic interpersonal skills and how these might vary according to the race sex age and socioeconomic group with which the officer is interacting Finally students learn how to initiate new programs in a community from the planning process and community involvement to dealing with management and evaluating program success      *Community Policing, Community Justice, and Restorative Justice* Caroline G. Nicholl, 1999      **The Politics of Community Policing** Wilson Edward Reed, 2013-06-17 First published in 1999 As with the other volumes in this series readers will appreciate the clear and compelling way this case study is presented Reed critiques the way in which political and economic dynamics not only threaten but convolute the intended benefits of community policing Although you may not always agree with the author's interpretations he has given us a compelling look at the potential for corruption of model programs      *Community, Crime Control, and Collective Efficacy* Craig D. Uchida, 2015

Collective efficacy is a neighborhood level concept in which community members create a sense of agency and assume

ownership for the state of their local community This concept is one of several forms of formal and informal social control that predict the overall functioning of a community In this book the authors examine collective efficacy and crime in eight Miami Dade County Florida neighborhoods based on data they collected from across the country and in the Miami Dade neighborhoods themselves They discuss findings relevant to the theory of collective efficacy itself ramifications for its use within communities and make recommendations for future research and for translating these results into actionable crime prevention activities

**Crime Prevention and Community Safety** Gordon Hughes, Eugene McLaughlin, John Muncie, 2002-03-28 This text represents a major contribution to the literature on crime prevention and community safety It goes beyond existing literature in bringing together sophisticated theoretical analysis on these topics which are core issues for government at local as well as national levels And it also brings a much needed international perspective to our understanding of the local governance of crime Kevin Stenson Professor of Criminology Buckinghamshire Chilterns University College Crime Prevention and Community Safety provides an essential introduction to the complex issues and debates in the field of crime control and the new politics of safety and security across the globe Collectively the contributions to this volume present a critique of current policy and open up the field of study to new directions While engaging with the dominant focus on what works in crime reduction and community safety the book also moves beyond the traditionally narrow technical boundaries of much previous debate Crime Prevention and Community Safety New Directions looks at The relationship between crime control communities and the nation state The diverse and changing sites of conflict compromise and collusion around crime control policies Wider issues relating to risk safety and security The central feature of the volume as a whole is a commitment to exploring new directions for research and analysis theoretically empirically and comparatively In opening up the varying and volatile spaces for crime prevention and community safety within the more general politics of social order the book provides a critical rethinking of traditional connections between criminology social policy and politics Crime Prevention and Community Safety will be essential reading for students of criminology criminal justice community safety socio legal studies sociology of crime and deviance and social policy This is a course Reader for The Open University course D863 Community Safety Crime Prevention and Social Control

*Community Crime Prevention Report* Montana. Task Force on Community Crime Prevention, 1976

**The Politics of Community Crime Prevention** Lisa L. Miller, 2019-05-24 This title was first published in 2001 This book explores the complex and often striking differences between national and local perspectives particularly those of racial minorities on crime prevention and the role that community residents should play in prevention programmes

We Can Prevent Crime United States. Law Enforcement Assistance Administration. Office of Community Anti-Crime Programs, 1979

**Community and the Problem of Crime** Karen Evans, 2015-06-26 The relationship between crime and community has a long history in criminological thought from the early notion of the criminogenic community developed by the Chicago sociologists through to various crime prevention models in research and

policy This book offers a useful theoretical overview of key approaches to the subject of crime and community and considers the ways in which these have been applied in more practical settings Written by an expert in the field and drawing on a range of international case studies from Europe North America Australia and Asia this book explores both why and how crime and community have been linked and the implications of their relationship within criminology and crime prevention policy Topics covered in the book include the different crime prevention paradigms which have been utilised in the fight against crime the turn to community in crime prevention policy which took place during the 1980s in the UK and US and its subsequent development the particular theoretical and ideological underpinnings to crime prevention work in and with different communities the significance and impact of fear of crime on crime prevention policy different institutional responses to working with community in crime prevention and community safety the ways in which the experience of the UK and US have been translated into the European context a comparison between traditional Western responses to the growing interest in restorative and community based approaches in other regions This book offers essential reading for students taking courses on crime and community crime prevention and community safety and community corrections

**The Reinvention of Policing** William R. Kelly, Daniel P. Mears, 2023-07-03 Written in an accessible style this book provides a historically grounded critique of American policing and offers implementable solutions providing students a comprehensive understanding of modern policing Contemporary policing is in crisis a situation that has led to persistent calls to reform it Unfortunately many proposed solutions focus on piecemeal changes that ignore a fundamental problem policing relies on a largely reactive approach that does not in any systematic or comprehensive way focus on crime prevention Most of what the police do such as responding to 911 calls for service and employing directed patrols or hot spots policing fails to address the causes of crime Compounding this problem is the absence of any institution or agency charged with prioritizing the prevention of crime and for ensuring that police efforts support this goal A central distinguishing feature of this book is its comprehensive approach and the emphasis on policing as part of a much broader set of changes that must occur both to improve policing and to improve public safety and justice This approach includes retaining what works eliminating what does not drawing on evidence based policy from around the world and creating systemic changes that institutionalize better policing accountability and evaluation processes for ensuring that the police are effective The Reinvention of Policing can be used in courses focused on policing policy and practice specifically when discussing the nature of policing how policing may reflect and contribute to inequality and injustice or how it might improve these social problems
