Crimson Palace:

Crimson Palace Maralee Lowder, 2004-12 Shinonn Flannery was 18 years old when she donned her brother's castoff clothing and headed west to the California gold fields. She was seeking adventure, she told herself, never admitting her true reason for undertaking the arduous and sometimes dangerous journey that she longed to set eyes once again upon the mysterious stranger who had come to her tiny prairie village five years before and ignited the young girl's dreams: the man who also shot and killed her father. **CRIMSON PALACE** is a story about the Reno Nevada gambling casino Shinonn built for the gambling man who stole her heart. It is also about the lives of those who followed her: the heirs to the casino that sprang from a love too strong to die. [The Taoist Experience](#) Livia Kohn, 1993-01-01. Containing sixty translations from a large variety of texts, this is an accessible yet thorough introduction to the major concepts, doctrines, and practices of Taoism. It presents the philosophy, rituals, and health techniques of the ancients as well as the practices and ideas of Taoists today. Divided into four sections, it follows the Taoist Path: The Tao, Long Life, Eternal Vision, and Immortality. It shows how the world of the Tao is perceived from within the tradition, what fervent Taoists did, and how practitioners saw their path and goals. **The Taoist Experience** is unique in that it presents the whole of Taoist tradition in the very words of its active practitioners. It conveys not only a sense of the depth of the Taoist religious experience but also of the underlying unity of the various schools and strands. **Derby Innovator** Barry Irwin, 2016-03-27. **Derby Innovator** is the story of the making of Animal Kingdom by Barry Irwin, a self-taught, self-styled sportsman and entrepreneur who shook racing's Establishment to its very foundations by employing unconventional methods and practices to break all the rules in winning the Kentucky Derby, a race that has been called the greatest two minutes in sports. Born into a family in Los Angeles that shunned horse racing, Irwin turned a childhood pipedream of winning a racehorse in a tobacco company's naming contest into a stable full of horses that have won some of the most historic and lucrative prizes on The Turf, not only in America but in Great Britain, Europe, China, the Middle East, and South Africa. Experience the intoxicating brand of excitement that only Thoroughbred racing can deliver as horses bred, bought, and managed by Irwin plunder riches and beat royalty at Longchamp, Meydan, Churchill Downs, Santa Anita, and Sha Tin. Join Irwin as he prospects for potential Champions in such faraway locales as Uruguay, Zimbabwe, South Africa, and Croatia. Learn his methods of finding obscure bloodlines that he blends with American pedigrees to produce Breeders Cup and Classic winners at Churchill Downs. Rub elbows with some of the biggest movers and shakers in international racing, such as Dubai Ruler, Sheikh Mohammed, MGM CEO Gary Barber, South African trainer Mike de Kock, South African movie producer Anant Singh, trainer Graham Motion, Australian stallion developer John Messara, trainer Todd Pletcher, South African breeder Gaynor Rupert. Share an elusive Derby triumph and a heartbreaking Derby head-bob loss. Feel what it's like to reach the heights as well as the terrible losses. They are all here in **Derby Innovator**. [Comparative Mysticism](#) Steven T. Katz, 2013. This collection of primary texts introduces readers to the mystical literature of the world's great religious traditions.

Beginning with an introduction by Steven T Katz a leading scholar of mysticism the anthology comprises poetry prayer narrative and other writings from Jewish Christian Muslim Hindu Buddhist Taoist Confucianist and Native American traditions This collection provides readers not only with the primary mystical texts from each religious tradition but with an explanation of the context of the source and tradition Comparative Mysticism shows how the great mystical traditions of the world are deeply rooted in the religious traditions from which they originated The contextual methodological approach taken throughout the anthology also addresses the critical question of what these mystical traditions at their highest level have in common Despite the prevailing view that mystical traditions throughout the world are essentially similar the presentation of the sources in this volume suggests that in fact the various traditions have distinct teachings and different metaphysical goals The writings collected in Comparative Mysticism address the most fundamental and important methodological epistemological and hermeneutical questions regarding the study and interpretation of mysticism and mystical sources across cultures This anthology will be an invaluable resource to students and scholars of mystic tradition for years to come

A Library of Clouds J. E. E. Pettit, Chao-jan Chang, 2020-09-30 From early times Daoist writers claimed to receive scriptures via revelation from heavenly beings In numerous cases these writings were composed over the course of many nights and by different mediums New revelations were often hastily appended and the resulting unevenness gave rise to the impression that Daoist texts often appear slapdash and contain contradictions A Library of Clouds focuses on the re writing of Daoist scriptures in the Upper Clarity Shangqing lineage in fourth and fifth century China Scholarship on Upper Clarity Daoism has been dominated by attempts to uncover original or authentic texts which has resulted in the neglect of later scriptures including the work fully translated and annotated here the Scripture of the Immaculate Numen one of the Three Wonders sanqi and among the most prized Daoist texts in medieval China The scripture s lack of a coherent structure and its different authorial voices have led many to see it not as a unified work but the creation of different editors who shaped and reshaped it over time A Library of Clouds constructs new ways of understanding the complex authorship of texts like the Scripture of the Immaculate Numen and their place in early medieval Daoism It stresses their significance in understanding the ways in which manuscripts were written received and distributed in early medieval China By situating the scripture within its immediate hagiographic and ritual contexts it suggests that this kind of revelatory literature is best understood as a pastiche of ideas a process of weaving together previously circulating notions and beliefs into a new scriptural fabric
