Dirty Poole:

Dirty Poole Wakefield Poole,2011 Filmmaker Poole wrote the rules for living on the edge with no safety net and no apologies How he as a respected Broadway dancer choreographer and director became the infamous creator of beautiful wildly successful gay porn is just part of the gripping story of life in the worlds of theater and porn the perils and joys of success the horrors of drug addiction and the resilient spirit of a man who continually re invented himself and survived it all

Broadway Nation David Armstrong,2025-08-21 A lively cultural history of the Broadway Musical that for the first time explores and reveals how this uniquely American art form was created almost exclusively by people who were marginalized from almost all other aspects of mainstream society especially Immigrant Jewish Queer African American and female artists

The Moose That Roared Keith Scott,2014-04-08 For those of us who love The Rocky and Bullwinkle Show these names conjure up memories of some of the wittiest most inspired and relentlessly hilarious half hours of animation ever produced There was a kind of gleeful magic to the shows a cumulative joy that transcended the crude animation and occasionally muddy sound and it s this quality that was the essence of the legendary Jay Ward and Bill Scott Jay Ward was the magnificent visionary the outrageous showman who lobbied Washington for statehood for Moosylvania and invited the press to a picnic on the floor of the Plaza Hotel s august Grand Ballroom Bill Scott was the genial brilliant head writer coproducer and all purpose creative whirlwind often described as the soul of the shows In fact Scott even provided the voices for most of the star characters giving life to Bullwinkle J Moose Mr Peabody Dudley Do Right and George of the Jungle From their tiny oddball animation studio Jay Ward Productions they created some of the most memorable animation of all time and gave birth to a family of characters whose undying popularity has cast them forever into the pop culture firmament With their distinctively unorthodox artist friendly philosophy Ward and Scott attracted some of the most talented writers and voice actors in the industry and for a time Jay Ward Productions was a kind of Camelot of cartoons Now through exclusive interviews with Bill Scott Tiffany Ward June Foray and dozens of others intimately involved with the Ward epoch as well as access to original scripts artwork story notes letters and memos Keith Scott has created the definitive history of Jay Ward Productions including episode guides and voice credits for all the Jay Ward cartoons From the first Hey Rocky watch me pull a rabbit out of a hat to the last Watch out for that tree The Moose That Roared is not only the record of a legendary chapter in animation history but also the story of a rare and magical relationship between two artists who were wildly exuberantly ahead of their time and the fascinating story of the struggle to bring their vision of bad puns and talking animals to unforgettable life
